

Solid Recruits Continue to Join OPSU Softball

Lady Aggie Head Coach Rachel Burleson

Updated 1-02-09

Oklahoma Panhandle State University's Rachel Burleson is preparing for her first season at the helm of the Lady Aggie softball team. She has already proven herself to be one of the hardest workers on campus, and in addition to preparing the members of the present team for the upcoming spring season; Burleson also has an eye on the future and has been on the recruiting trail.

She has announced that eight outstanding high school student-athletes will be - joining the Lady Aggies in the 09-10 school year. They are:

Kristen Curlin (Pasadena, Texas), pitcher and outfielder who played at Deer Park High School.

Whitney Bankston (Venus, Texas), outfielder from Midlothian High School.

Brandi Heath (Fort Worth, Texas), catcher and second baseman from North Crowley High School.

Kari Fry (Burleson, TX) played catcher, outfield and third base at Burleson High School.

Kara Nugent (Texas City, Texas), catcher from Manvel High School.

Julie Cross (Pearland, Texas), outfielder from J. Frank Dobie High School.

Kayla Pollard (Jones, OK), pitcher and first baseman for Jones High School.

Destyni Tate-Boggs (Oklahoma City, OK) played both first and third base for Jones High School.

Burleson's personal work ethic will translate well to Lady Aggie softball players . . . both present and future . . . and there will be plenty of excitement in the seasons to come at the OPSU Softball Complex.
