

HOMECOMING B-B-Q ENDOWMENT

Every fall the Alumni Association hosts a barbeque as part of the homecoming festivities. This is always an exciting occasion when former and current students, faculty, administrators and others associated with the university, gather to renew old friendships and catch up on the latest news. Last year approximately 600 people attended this event. Thanks to the generosity of local feed yards and businessmen, we have always been able to provide this meal free of charge.

Planning for the future, we have created an endowment fund to cover the cost of this annual event. This will eliminate the hassle that goes into finding beef donors, getting the animals delivered to the meat lab, and will ease the load on those who are asked for a donation year after year. This is an opportunity for you to make a valuable contribution to the Alumni Association and the work it does.

We have created three levels of giving: Platinum for contributions of at least \$5000, Gold for contributions of at least \$1000 and Silver for contributions of at least \$500. A plaque with the names of contributors will be displayed in a prominent location on the OPSU campus. In years to come people will be able to read this plaque and remember who provided the funds for the Homecoming meal. Our contributions will give us some degree of immortality as we will be helping support the annual barbeque long after we are gone.

Thank you for choosing to be a part of this ongoing plan to keep the OPSU Alumni Association active in our students' future.
