Oklahoma Panhandle State University
Memorial Brick Project

As the new Science and Agriculture Building rises on the campus of Oklahoma Panhandle State University, so does anticipation for the opening of the building next summer. Many essentials are still needed to further OPSU's educational and community service commitments. If you would like to help with this effort, consider purchasing engraved walkway bricks to memorialize loved ones or recognize special people in your life. Each brick costs $100 and will be used in a patio/sidewalk near the entrance of the new building. The bricks may contain up to 3 lines of text with 18 characters per line including spaces and punctuation. In addition, OPSU offers bricks measuring 1 square foot that are suitable for engraved business logos or brands and are available for $500 each. If ordering a logo paver, please enclose camera-ready artwork. If you have questions, please contact Dr. Justin Collins at 580-349-1522 or via email at jkcollins@opsu.edu.
