

Attention: College Algebra Students

If you are using the program "GF College Algebra 9", these instructions need to be followed for the program to work correctly.

- Logon to the system
- Insert cd. You must be using an original cd. Copied cd's **will not** work correctly.
- Wait for program to start automatically. This will take up to one minute.
- When the login screen for *GF College Algebra 9* appears, close the program.

- Double click on the *GF College Algebra 9* icon.

- Click on the radio button that states "The following user:"
- Click on the blue down arrow beside "Administrator"

- Select the "Algebra" user like the picture shows.
- Enter **gfalgebra** in the password field.
- Click on "OK" and the program will begin running

If you have any questions, please feel free to ask any of the McKee Library staff.
