Ruth and J. R. McCaull Memorial Scholarships

Est. 2011

Ruth and J. R. McCaull farmed and ranched in the Eva Community. Ruth passed away in 1997 and J. R. in 2009. Their wish was to help a young person who was interested in agriculture. An endowment from the proceeds of their trusts has been established with Panhandle State Foundation to fund two scholarships per year to students attending Oklahoma Panhandle State University. The recipients must major in Agriculture, have a minimum 3.0 GPA and be a member of a church. Need, and non-academic activities will be considered.
