

PANHANDLE STATE  
FOUNDATION

## J. Delbert and Guila Wells Award

Est. 1996

J. Delbert Wells worked for 7 years as an Ag Teacher, 4 years as a full time farmer, 18 years of working with the Farm Bureau in 4 states, and 18 years as Vice-President of the Economic Education Program of the Missouri Chamber of Commerce. His strong beliefs in leadership, citizenship and basic American Principals encouraged him and his wife to endow this scholarship available to an outstanding junior business major who had demonstrated these qualities. Delbert and Guila established this scholarship out of gratitude for PAMC and the Panhandle region and what it had meant in their lives. Delbert was a 1935 graduate. He passed away in 2001. Guila passed away in 2015.
