Hazel Williams Scholarship

Est.1991

The Hazel Williams Scholarship was endowed by Mrs. Williams' children to honor her on her 88th birthday.

Hazel and Clarence Williams moved to the Guymon area in 1936. They had three children: Erma Mallard, Jack Williams, and Eugene "Pete" Williams. Mrs. Williams had many close ties to the college. She served as a dorm mom at PAMC for several years.

Pete and his wife both received their degrees from PSU in 1950. Jack received his degree in 1962, and a grandson, Jim Mallard, received a business degree in 1967, and accounting in 1983. Several other grandchildren and great-grandchildren have attended the university.

Hazel passed away June 7, 2007 at the age of 103.
