Important Information

Please Read This Section Carefully!  It explains the role the Blue Cross and Blue Shield of Oklahoma BlueChoice PPO Provider Network plays in your health care coverage. It also explains important cost containment features in your health care program. Together, these features allow you to receive quality health care in cost-effective settings, while helping you experience lower out-of-pocket expenses.

By becoming familiar with these programs, you will be assured of receiving the maximum Benefits possible whenever you need to use your health care services.

The BlueChoice PPO Provider Network

Blue Cross and Blue Shield of Oklahoma has developed a network of health care Providers for the BlueChoice PPO Provider Network. This network of health care Providers works with Blue Cross and Blue Shield of Oklahoma to help keep down the cost of health care. Subscribers can take advantage of their highest level of Benefits by using BlueChoice PPO Providers whenever possible.

BlueChoice PPO Providers are not employees, agents or other legal representatives of Blue Cross and Blue Shield of Oklahoma.

How Your BlueChoice PPO Coverage Works

Your BlueChoice PPO coverage is designed to give Subscribers some control over the cost of their own health care. Subscribers continue to have complete freedom of choice in their Provider selection. However, the program offers considerable financial advantages to Subscribers who choose to use a BlueChoice PPO Provider.

The BlueChoice PPO program operates around a group of Hospitals, Physicians and other Providers who have agreed to charge no more than a reasonable, predetermined fee for their services. When Subscribers use these BlueChoice PPO Providers, they will have less out-of-pocket expense. For example, most Covered Services you receive in your BlueChoice PPO Physician's office will be paid in full, after you satisfy a small Copayment* for each visit.

In contrast, when care is received from a Physician who is not a member of the BlueChoice PPO Provider Network, the office visit Copayment does not apply. Generally, Benefits for Out-of-Network Provider services are provided only after you have satisfied your Deductible in full, and a higher Coinsurance and Out-of-Pocket Limit will apply to most Covered Services. Also, if you receive Inpatient care from a Hospital that is not a BlueChoice PPO Provider, you will be responsible for a separate $250 Deductible for each Hospital Admission (in addition to your Benefit Period Deductible).

IMPORTANT: Keep in mind that all Covered Services (including ancillary services such as x-ray and laboratory services, anesthesia, etc.) must be performed by a BlueChoice PPO Provider in order to receive the highest level of Benefits under this Certificate. If your Physician prescribes these services, request that he/she refer you to a BlueChoice PPO Provider whenever possible.

Cost Sharing Features of Your Coverage

As a participant in this Group Health Plan, you have the responsibility for sharing in a portion of your health care costs. You are responsible for the applicable Deductible and Coinsurance provisions of your coverage, as

*This Copayment does not apply to surgical services, Physical Therapy, Occupational Therapy, Chemotherapy, allergy testing and allergy injections, Psychiatric Care Services and Durable Medical Equipment.
well as any charges for which Benefits are not provided. You may also be responsible for a portion of your health care premiums, depending upon the terms of your Group Health Plan. Check with your Group Administrator for specific premium amounts applicable to the coverage you have selected for you and your family.

YOUR PRESCRIPTION DRUG PROGRAM

To receive the highest level of Benefits under this program, always have your prescriptions filled by a Participating Pharmacy.

Blue Cross and Blue Shield of Oklahoma has contracted with a network of Participating Pharmacies to help hold the line on the increasing costs of Prescription Drugs. When you present your Identification Card to your Participating Pharmacy, your claim will be processed electronically. Your pharmacist will be able to tell immediately which charges count toward your Prescription Drug Copayment or Coinsurance and will collect the appropriate amount from you at the time of purchase. The pharmacist will then be reimbursed directly by the Plan for the balance of covered charges.

HOW YOUR PRESCRIPTION DRUG PROGRAM WORKS

✓ Show your BlueChoice PPO Identification Card to your Pharmacy.

✓ If you choose a Participating Pharmacy, you pay your Copayment or Coinsurance amount and your claims are filed automatically!

✓ If your Pharmacy is not a Participating Pharmacy, you will have to file your own claim.

✓ Claims for Prescription Drugs purchased from a Participating Pharmacy are processed at the highest level of Benefits.

REMEMBER -- Using Participating Pharmacies can save you time and money. If you have any questions about your Prescription Drug coverage, please call a Customer Service Representative at 1-877-258-6781.

In order to receive the highest level of Benefits for your prescription charges, your prescriptions must be filled at a Participating Pharmacy. Your coverage under this Certificate is subject to a reduction in Benefits if your prescriptions are filled at an Out-of-Network Pharmacy.
If you find it necessary to purchase your prescriptions from an Out-of-Network Pharmacy, or if you do not have your Identification Card with you when you purchase your prescriptions, it will be your responsibility to pay the full cost of the Prescription Drugs and to submit a claim form (with your itemized receipt) to receive the Benefits available under the Contract.

**PREFERRED PRESCRIPTION DRUG PROGRAM**

To help our Subscribers make the most of their Prescription Drug Benefits, Blue Cross and Blue Shield of Oklahoma has implemented a Preferred Prescription Drug Program. While many prescriptions have generic equivalents, most do not. Prescriptions without a generic equivalent tend to be much more expensive than those with a generic alternative.

The choice of drugs is up to you and your Physician. However, Generic and Preferred Drugs are available at the lowest Copayment/Coinsurance amount.

Subscribers will receive a listing of Preferred Drugs upon enrollment. This listing is maintained by the Pharmacy and Therapeutics Committee and will be changed periodically. You may call a Customer Service Representative to request an updated listing at 1-877-258-6781.

**MEDICAL NECESSITY LIMITATION**

**THE FACT THAT A PHYSICIAN OR OTHER PROVIDER PRESCRIBES OR ORDERS A SERVICE DOES NOT AUTOMATICALLY MAKE IT MEDICALLY NECESSARY OR A COVERED SERVICE.**

This program provides Benefits for Covered Services that are Medically Necessary. "Medically Necessary" is defined as services or supplies provided by a Provider that the Plan determines are:

- appropriate for symptoms and diagnosis to treat your condition, illness, disease or injury; and
- in line with standards of good medical practice; and
- not primarily for your or your Provider's convenience; and
- the most appropriate supply or level of service which can be safely provided to you. When applied to the care of an Inpatient, this means that your condition or the services you need require acute care as a bed patient and you cannot receive safe or adequate care as an Outpatient.

**PRECERTIFICATION**

The Plan has designated certain Covered Services which require "Precertification" in order for you to receive the maximum Benefits possible under the Contract. To request Precertification, you or your Provider may simply call the telephone number shown on your Identification Card. **If you use a BlueChoice PPO Provider for your services, your Provider will automatically request Precertification for you.**

For an Inpatient facility stay, **you must request Precertification from the Plan before your scheduled admission.** The Plan will consult with your Physician, Hospital, or other facility to determine if Inpatient level of care is required for your illness or injury. The Plan may decide that the treatment you need could be provided just as effectively in a less expensive setting (such as the Outpatient department of the Hospital, an Ambulatory Surgical Facility, or the Physician's office). If the Plan determines that your treatment does not require Inpatient care, you and your Provider will be notified of that decision. **If you proceed with an Inpatient stay without the Plan's approval, or if you do not ask the Plan for Precertification, your Benefits under this Certificate will be reduced by $500 for that admission, provided the Plan determines that Benefits are payable upon receipt of a claim.** This reduction applies in addition to any penalties associated with your use of an Out-of-Network Provider.
• Precertification Requests Involving Non-Urgent Care

Except in the case of a Precertification Request Involving Urgent Care (see below), the Plan will provide a written response to your Precertification request no later than 15 days following the date we receive your request. This period may be extended one time for up to 15 additional days, if the Plan determines that additional time is necessary due to matters beyond our control.

If we determine that additional time is necessary, the Plan will notify you in writing, prior to the expiration of the original 15-day period, that the extension is necessary, along with an explanation of the circumstances requiring the extension of time and the date by which the Plan expects to make the determination.

If an extension of time is necessary due to our need for additional information, we will notify you of the specific information needed, and you will have 45 days from receipt of the notice to provide the additional information. We will provide a written response to your request for Precertification within 15 days following receipt of the additional information.

The procedure for appealing an adverse Precertification determination is set forth in the section entitled, "Complaint/Appeal Procedure."

• Precertification Requests Involving Urgent Care

A "Precertification Request Involving Urgent Care" is any request for medical care or treatment with respect to which the application of the time periods for making non-urgent care determinations:

– could seriously jeopardize the life or health of the Subscriber or the ability of the Subscriber to regain maximum function; or
– in the opinion of a Physician with knowledge of the Subscriber’s medical condition, would subject the Subscriber to severe pain that cannot be adequately managed without the care or treatment that is the subject of the Precertification request.

In case of a "Precertification Request Involving Urgent Care," the Plan will respond to you no later than 72 hours after receipt of the request, unless you fail to provide sufficient information to determine whether, or to what extent, Benefits are covered or payable under the Group Health Plan. In the case of such a failure, the Plan will notify you no later than 24 hours after receipt of your request, of the specific information necessary to complete your Precertification request. You will be given a minimum of 48 hours to provide the specified information. You will be notified of the Plan’s response to your Precertification request no later than 48 hours after the earlier of:

– the Plan’s receipt of the specified information; or
– the end of the 48-hour period you were given to provide the specified information.

NOTE: The Plan’s response to your Precertification Request Involving Urgent Care, including an adverse determination, if applicable, may be issued orally. A written notice will also be provided within three days following the oral notification.

• Precertification Requests Involving Emergency Care

If you are admitted to the Hospital for Emergency Care and there is not time to obtain Precertification, you will not be subject to the Precertification "penalty" (if any) outlined in your Certificate if you or your Provider notifies the Plan within two working days following your emergency admission.

In addition to Inpatient facility services, some Outpatient services (such as Home Health Care) are also subject to Precertification. If you fail to request Precertification approval, or to abide by the Plan's determination regarding these services, your Benefits will be denied or reduced, as set forth in the Comprehensive Health Care Services section of this Certificate.

Benefit reductions for failure to comply with the Plan's Precertification process will apply only when you utilize the services of a Provider who is not a member of the BlueChoice PPO Provider Network.
Please keep in mind that any treatment you receive which is not a Covered Service under this Certificate, or which is not Medically Necessary, will be excluded. This applies even if Precertification approval is requested or received.

NOTE: Group Health Plans and health insurance issuers generally may not, under federal law, restrict Benefits for any Hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending Provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, Plans and issuers may not, under federal law, require that a Provider obtain authorization from the Plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

**CONCURRENT REVIEW AND CASE MANAGEMENT**

As a part of the Precertification process described above, the Plan will determine an "expected" or "typical" length of stay or course of treatment based upon the medical information given to the Plan at the time of your Precertification request. These estimates are used for a concurrent review during the course of your admission or treatment in order to determine if Benefits are eligible in accordance with the Medical Necessity provisions of this Certificate.

Whenever it is determined that Inpatient care or an ongoing course of treatment may no longer be Medically Necessary, the Plan's Medical and Benefits Administration staff will contact you, your Provider or other authorized representative to discuss the Medical Necessity guidelines used to determine Benefits for continuing services. When appropriate, the Plan will inform you and your Providers whether additional Benefits are available for services you and your Physician may choose to obtain in an alternate treatment setting.

If you or your Provider requests to extend care beyond the approved time limit and it is a Request Involving Urgent Care, the Plan will notify you of its decision within 24 hours, provided the request is made within 24 hours prior to the expiration of the prescribed period of time or course of treatment.

**ALLOWABLE CHARGE**

To take full advantage of the negotiated pricing arrangements in effect between Blue Cross and Blue Shield of Oklahoma and our network Providers, it is imperative that you use BlueChoice PPO Providers in Oklahoma and BlueCard PPO Providers whenever you are out of state. Using BlueChoice PPO and BlueCard PPO Providers offers you the following advantages:

- BlueChoice PPO and BlueCard PPO Providers have agreed to hold the line on health care costs by providing special prices for our Subscribers. These Providers will accept this negotiated price (called the "Allowable Charge") as payment for Covered Services. This means that, if a network Provider bills you more than the Allowable Charge for Covered Services, you are not responsible for the difference.

- Blue Cross and Blue Shield of Oklahoma will calculate your Benefits based on this "Allowable Charge". We will deduct any charges for services which aren’t eligible under your coverage, then subtract your Copayment, Deductible and/or Coinsurance amounts which may be applicable to your Covered Services. We will then determine your Benefits under the Contract, and direct any payment to your network Provider.

REMEMBER …

You receive the maximum Benefits allowed whenever you utilize the services of an Oklahoma BlueChoice PPO Provider or a BlueCard PPO Provider outside the state of Oklahoma.

Your PPO program contains special provisions (Benefit reductions) which apply whenever you use Out-of-Network Providers. If you use an Out-of-Network Provider, your Benefits will be determined as follows:
• When Covered Services are received outside the state of Oklahoma from a Provider who does not have a written agreement with Blue Cross and Blue Shield of Oklahoma or with the local Blue Cross and Blue Shield Plan, and the claim for those services is filed with the Blue Cross and Blue Shield Plan (Host Plan) servicing the area, the “Allowable Charge” will be determined by the Host Plan. This Allowable Charge will be the amount the Host Plan uses for their own local members that obtain services from local non-contracting Providers. You will be responsible for the following:
  – Charges for any services which are not covered under your Plan.
  – Any Deductible or Coinsurance amounts that are applicable to your coverage (including the higher Coinsurance amounts which apply to Out-of-Network Provider services).
  – The difference, if any, between your Provider's "billed charges" and the Allowable Charge determined by the Host Plan.

• In instances where the claim is not filed with the Host Plan, the Allowable Charge for your out-of-network claims will be based upon what the Plan would have reimbursed a BlueChoice PPO Provider for the same service. You will be responsible for the following:
  – Charges for any services which are not covered under your Plan.
  – Any Deductible or Coinsurance amounts that are applicable to your coverage (including the higher Coinsurance amounts which apply to Out-of-Network Provider services).
  – The difference, if any, between your Provider’s "billed charges" and the "Allowable Charge" which a BlueChoice PPO Provider would have accepted for the same services.

• In certain instances, your services may be rendered by a Provider who has a Participating Provider Agreement (other than a BlueChoice PPO Participating Provider Agreement) with Blue Cross and Blue Shield of Oklahoma. These Providers (called BlueTraditional Providers) have agreed to charge Plan Subscribers no more than a "Maximum Reimbursement Allowance" for Covered Services. If you receive Covered Services from a BlueTraditional Provider, you will be responsible for the following:
  – Charges for any services which are not covered under your Plan.
  – Any Deductible or Coinsurance amounts that are applicable to your coverage (including the higher Coinsurance amounts which apply to Out-of-Network Provider services).
  – Any amounts over the "Allowable Charge," up to but not exceeding the "Maximum Reimbursement Allowance" specified in their Participating Provider Agreement.

Keep in mind that these "Allowable Charge" provisions apply whenever you obtain services outside the BlueChoice PPO Provider Network, including Emergency Care or referral services.

**SPECIAL NOTICES**

The Plan reserves the right to change the provisions, language and Benefits set forth in the Contract and this Certificate.

Because of changes in federal or state laws, changes in your health care program, or the special needs of your Group, provisions called "special notices" may be added to your Certificate.

Be sure to check for a "special notice". It changes provisions or Benefits in the Contract and your Certificate.

**IDENTIFICATION CARD**

You will get an Identification Card to show the Hospital, Physician, Pharmacy, or other Providers when you need to use your coverage.
Your Identification Card shows the Group through which you are enrolled and includes your own personal identification number. All of your covered Dependents share your identification number. Duplicate cards can be obtained for each member of your family.

Carry your card at all times. If you lose your card, you can still use your coverage. You can replace your card faster, however, if you know your identification number. The Certificate page has a space to record it.

Legal requirements govern the use of your card. You cannot let anyone who is not enrolled in your coverage use your card or receive your Benefits.

DESIGNATING AN AUTHORIZED REPRESENTATIVE

The Plan has established procedures for you to designate an individual to act on your behalf with respect to a Benefit claim or an appeal of an adverse Benefit determination. Contact a Customer Service Representative for help if you wish to designate an authorized representative. In the case of a Precertification Request Involving Urgent Care, a health care professional with knowledge of your medical condition will be permitted to act as your authorized representative.

    If you have a newborn child while covered under this Certificate, then the following rules apply:
    
    - If you are enrolled under Member Only (Single) Coverage, you may add coverage for a newborn effective on the date of birth. However, your application to add the newborn must be received by the Plan within 31 days of the child's birth.
    
    - If you are enrolled under Member and Spouse Only Coverage (if applicable), coverage for the newborn will be effective on the date of birth and continue for 31 days. A copy of the court order or adoption papers must be submitted to the Plan with the change form.
  - Subject to the Exclusions, conditions and limitations of this Certificate, coverage for an adopted child will include the actual and documented medical costs associated with the birth of an adopted child who is 18 months of age or younger. You must provide copies of the medical bills and records associated with the birth of the adopted child and proof that you have paid or are responsible for payment of the medical bills associated with the birth and that the cost of the birth was not covered by another health care plan, including Medicaid.

**SPECIAL ENROLLMENT PERIODS**
The Plan provides for Special Enrollment Periods during which individuals who previously declined coverage are allowed to Enroll (without having to wait until the Group's next regular Open Enrollment Period). A Special Enrollment Period can occur if a person with other health coverage loses that coverage or if a person becomes a Dependent through marriage, birth, adoption, or Placement for Adoption. A person who Enrolls during a Special Enrollment Period is not treated as a Late Enrollee, and the Plan may not impose a Preexisting Condition Exclusion period longer than 12 months.

- **Special Enrollment For Loss of Other Coverage**
  - The Special Enrollment Period for loss of other coverage is available to you and your Dependents who meet the following requirements:
    - You and/or your Dependent must otherwise be eligible for coverage under the terms of the Plan.
    - When the coverage was previously declined, you and/or your Dependent must have been covered under another Group Health Plan or must have had other health insurance coverage.
    - When you declined enrollment for yourself or for your Dependent(s), you stated in writing that coverage under another Group Health Plan or other health insurance coverage was the reason for declining enrollment. This paragraph applies only if:
      - the Plan required such a statement when you declined enrollment; and
      - you are provided with notice of the requirement to provide the statement in this paragraph (and the consequences of your failure to provide the statement) at the time you declined enrollment.
    - When you declined enrollment for yourself or for your Dependent under the Contract:
you and/or your Dependent had COBRA Continuation Coverage under another plan and COBRA Continuation Coverage under that other plan has since been exhausted; or

if the other coverage that applied to you and/or your Dependent when enrollment was declined was not under a COBRA continuation provision, either the other coverage has been terminated as a result of loss of eligibility for the coverage or employer contributions towards the other coverage have been terminated.

For purposes of the above provision, "exhaustion of COBRA Continuation Coverage" means that the individual's COBRA Continuation Coverage has ceased for any reason other than failure to pay premiums on a timely basis, or for cause (such as making a fraudulent claim or an intentional misrepresentation of a material fact in connection with the plan). "Loss of eligibility for coverage" includes a loss of coverage as a result of legal separation, divorce, death, termination of employment, reduction in the number of hours of employment, and any loss of eligibility after a period that is measured by reference to any of the foregoing. Loss of eligibility does not include a loss due to failure of the individual or the participant to pay premiums on a timely basis or termination of coverage for cause (such as making a fraudulent claim or any intentional misrepresentation of a material fact in connection with the plan).

Your application for special enrollment must be received by the Plan within 31 days following the loss of other coverage. Coverage under special enrollment will be effective no later than the first day of the month after the Plan receives your application for enrollment for yourself or on behalf of your Dependent(s).

**Special Enrollment For New Dependents**

A Special Enrollment Period occurs if a person has a new Dependent by birth, marriage, adoption, or Placement for Adoption. Your application to Enroll or your application to change your membership (if you are already enrolled) must be received by the Plan within 31 days following the birth, marriage, adoption, or Placement for Adoption. To Enroll an adopted child, a copy of the court order or adoption papers must accompany the application or change form. Special enrollment rules provide that:

- You may Enroll when you marry or have a new child (as a result of marriage, birth, adoption, or Placement for Adoption).
- Your spouse can be enrolled separately at the time of marriage or when a child is born, adopted or Placed for Adoption.
- Your spouse can be enrolled together with you when you marry or when a child is born, adopted, or Placed for Adoption.
- A child who becomes your Dependent as a result of marriage, birth, adoption, or Placement for Adoption can be enrolled when the child becomes a Dependent.
- Similarly, a child who becomes your Dependent as a result of marriage, birth, adoption, or Placement for Adoption can be enrolled if you Enroll at the same time.
- Coverage with respect to a marriage is effective no later than first day of the month after the date the request for enrollment is received.
- Coverage with respect to a birth, adoption, or Placement for Adoption is effective on the date of the birth, adoption, or Placement for Adoption.
Special Enrollment for Court-Ordered Dependent Coverage

An Eligible Dependent is not considered a Late Enrollee if the Member's application to add the Dependent is received by the Plan within 31 days after issuance of a court order requiring coverage be provided for a spouse or minor or Dependent child under the Member's coverage. The Effective Date will be determined by the Plan in accordance with the provisions of the court order.

OPEN ENROLLMENT PERIOD

If you do not Enroll for coverage for yourself or for your Eligible Dependent(s) during the Initial Enrollment Period or during a Special Enrollment Period, you may apply for coverage at any time. However, coverage will be delayed until the Group's next Contract Date Anniversary. In order to verify your coverage election, you and/or your Dependent(s) will be asked to "reapply" for coverage during the Group's Open Enrollment Period. An Open Enrollment Period will be held each year before the Group's Contract Date Anniversary (renewal date). Your application for coverage must be received by the Plan within this time period. Check with your Group Administrator for information regarding your Group’s next Open Enrollment Period.

Individuals who Enroll during an Open Enrollment Period will be considered Late Enrollees under the Contract and will be subject to an 18-month Preexisting Condition Exclusion period. However, the 18-month Preexisting Condition Exclusion period will be reduced by the following:

- the days of prior Creditable Coverage in effect before your and/or your Dependent's application was received by the Plan; and
- the period of time between the Contract Date Anniversary and the date your and/or your Dependent's initial application for coverage was received by the Plan (for individuals who applied for coverage prior to the Open Enrollment Period).

QUALIFIED COURT ORDERS FOR MEDICAL COVERAGE FOR DEPENDENT CHILDREN

The Plan will honor certain qualified medical child support orders (QMCSO). To be qualified, a court of competent jurisdiction must enter an order for child support requiring coverage under the Group Health Plan on behalf of your children. An order or notice issued through a state administrative process that has the force of law may also provide for such coverage and be a QMCSO.

The order must include specific information such as:

- your name and address;
- the name and address of any child covered by the order;
- a reasonable description of the type of coverage to be provided to the child or the manner by which the coverage is to be determined;
- the period to which the order applies; and
- each Group Health Plan to which the order applies.

To be a qualified order, the order cannot require the Plan to provide any type or form of Benefits or any option not otherwise provided by the Group Health Plan, except as otherwise required by law. You will be responsible for paying all applicable premium contributions, and any Copayment, Deductible, Coinsurance, or other cost sharing provisions which apply to your and your Dependent’s coverage.

The Plan has to follow certain procedures with respect to qualified medical child support orders. If such an order is issued concerning your child, you should contact a Customer Service Representative by calling 1-877-258-6781.
**DELAYED EFFECTIVE DATE**

If you apply for coverage and are not Actively at Work on what would be your Effective Date, then the Effective Date will be delayed until the date you are Actively at Work.

This provision will not apply if you were:
- absent from work due to a health status factor; or
- enrolled under the Employer's Group Health Plan in force immediately before the Contract Date; or
- covered under BlueLincs HMO coverage (if applicable) and you transfer coverage to this Certificate:
  - during the Annual Transfer Period; or
  - within 31 days of the date you move your residence outside the BlueLincs HMO service area.

In no event will your Dependents' coverage become effective prior to your Effective Date.

**DELETING A DEPENDENT**

You can change your coverage to delete Dependents. The change will be effective at the end of the coverage period during which eligibility ceases.

**TRANSFERS FROM ALTERNATE COVERAGE OPTIONS**

In addition to this BlueChoice PPO program, your Group offers the following coverage options:
- BlueEdge HSA coverage, provided by Blue Cross and Blue Shield of Oklahoma; and
- HMO coverage through BlueLincs HMO, a subsidiary of Blue Cross and Blue Shield of Oklahoma.

There are certain periods during which you can transfer coverage from one program to another:
- An Annual Transfer Period will be held each year before your Group's Contract Date Anniversary (see your Group Administrator for specific dates). During this period, you may transfer your coverage between the different options shown above. Your Effective Date will coincide with your Group's Contract Date Anniversary.
- If you have coverage through BlueLincs HMO and you move outside the BlueLincs HMO service area, you may also apply for BlueChoice PPO or BlueEdge HSA coverage. Be sure your application is received by the Plan within 31 days of the date you move your residence outside the BlueLincs HMO service area.

Your Effective Date will be the first billing cycle coinciding with or next following the date your application is approved by the Plan.

**WHEN ELIGIBILITY CONTINUES**

- **DISABILITY**

  You may retain health coverage in effect as an employee if you are receiving benefits through the Employer's disability plan. You must elect to continue coverage within 30 days following your termination from employment. You may continue coverage as long as you are covered under the plan and pay premiums in a timely manner. You must maintain continuous coverage. If you discontinue coverage, or allow coverage to lapse, it cannot be reinstated unless you return to work.
• LEAVE WITHOUT PAY

If you are on an approved leave without pay through your Employer, you may continue coverage for up to 12 months from the first day you started leave without pay status.

If your coverage terminates for failure to pay premiums on a timely basis, you may reenroll as a new employee upon returning to work. Benefit limitations will apply.

If you are taking leave under the Family Medical Leave Act (FMLA), please make premium arrangements with your employer before taking leave.

• RETIREMENT

You may retain coverage after termination of employment if you make an election within 30 days following your termination date, and you meet one of the applicable conditions for retirement. Please contact your employer for additional information on qualifications.

• SURVIVORS’ RIGHTS

Your surviving spouse and dependent(s) have 60 days following your death to elect to continue coverage by notifying your employer. Coverage will be effective the first day of the month following the Member’s death.

The surviving spouse/Dependent(s) are eligible to continue coverage under the Group Health Plan as long as premiums are paid.

Surviving Dependent children are eligible for coverage until age 26, or the date the Dependent child marries.

• OTHER

Check with your Group Administrator for eligibility provisions unique to your Group's coverage.

COBRA CONTINUATION COVERAGE

THIS PROVISION MAY NOT APPLY TO YOUR GROUP'S COVERAGE. PLEASE CHECK WITH YOUR GROUP ADMINISTRATOR TO DETERMINE IF YOUR GROUP IS SUBJECT TO COBRA REGULATIONS.

• Eligibility for Continuation Coverage

When a Qualifying Event occurs, eligibility under this Certificate may continue for you and/or your Eligible Dependents (including your widow/widower, your divorced or legally separated spouse, and your children) who were covered on the date of the Qualifying Event. A child who is born to you, or Placed for Adoption with you, during the period of COBRA Continuation Coverage is also eligible to elect COBRA Continuation Coverage.

You or your Eligible Dependent is responsible for notifying the Employer within 60 days following the occurrence of any of the following events:

– your divorce or legal separation; or
– your Dependent child ceasing to be an Eligible Dependent under the Plan; or
– the birth, adoption or Placement for Adoption of a child while you are covered under COBRA Continuation Coverage.

*Consolidated Omnibus Budget Reconciliation Act of 1985, as amended.
• **Election of Continuation Coverage**

You or your Eligible Dependent must elect COBRA Continuation Coverage within 60 days after the later to occur of:

– the date the Qualifying Event would cause you or your Dependent to lose coverage; or

– the date your Employer notifies you, or your Eligible Dependent, of your COBRA Continuation Coverage rights.

• **COBRA Continuation Coverage Period**

You and/or your Eligible Dependents are eligible for coverage to continue under your Group's coverage for a period not to exceed:

– 18 months from the date of a loss in coverage resulting from a Qualifying Event involving your termination of employment or reduction in working hours; or

– 36 months from the date of a loss in coverage resulting from a Qualifying Event involving:
  ° your death, divorce or legal separation, or your loss of coverage due to becoming entitled to Medicare; or
  ° the ineligibility of a Dependent child;

  provided the premiums are paid for the coverage as required.

• **Disability Extension**

– COBRA Continuation Coverage may be extended from 18 months to 29 months for you or an Eligible Dependent who is determined by the Social Security Administration to have been disabled on the date of a Qualifying Event, or within the first 60 days of COBRA Continuation Coverage. This 11-month disability extension is also available to nondisabled family members who are entitled to COBRA Continuation Coverage.

– To request the 11-month disability extension, you or your Dependent must give notice of the disability determination to the Employer before the end of the initial 18-month COBRA Continuation Coverage period, and no later than 60 days after the date of the Social Security Administration's determination. In addition, you or your Dependent must notify the Employer within 30 days after the Social Security Administration makes a determination that you or your Dependent is no longer disabled.

• **Multiple Qualifying Events**

In the event an Eligible Dependent experiences a second Qualifying Event after onset of COBRA Continuation Coverage resulting from your termination or reduction in work hours, the maximum period of coverage is 36 months from the date of a loss in coverage resulting from the first Qualifying Event. This extension is available to the Eligible Dependent only.

• **Special TAA/ATAA Election Period**

An Employee who loses his/her job due to a trade-related reason may be entitled to a second 60-day COBRA election period if the Employee did not elect COBRA Continuation Coverage when initially eligible to do so. In order to qualify for this election period, the U. S. Department of Labor (or a state labor agency) must issue a certification showing that the job loss was due to trade-related reasons and that the employee is entitled to "trade adjustment assistance" (TAA) or "alternate trade adjustment assistance" (ATAA). The special 60-day election period begins on the first day of the month in which the Employee becomes eligible for trade adjustment assistance, as determined by the Department of Labor or state labor agency. The Employee is not eligible for the special election period if the TAA/ATAA eligibility determination is made more than six months after termination of employment.
WHEN COVERAGE UNDER THIS CERTIFICATE ENDS

When a Subscriber is no longer an Eligible Person or Eligible Dependent, coverage stops at the end of the coverage period during which eligibility ceases, except in the following cases:

- In the case of an Employee whose coverage is terminated, such Employee and his/her Dependents shall remain insured under the Contract for an additional 31 days, unless during such period the Employee and his/her Dependents shall otherwise become entitled to similar insurance from some other source.

- When a Subscriber ceases to be an Eligible Dependent by reason of death, coverage for that Subscriber will cease on the date of death.

- A Subscriber's COBRA Continuation Coverage, when applicable, will cease on the earliest to occur of the following dates:
  - the date the coverage period ends following expiration of the 18-month, 29-month, or 36-month COBRA Continuation Coverage period, whichever is applicable;
  - the first day of the month that begins more than 30 days after the date of the Social Security Administration's final determination that the Subscriber is no longer disabled (when coverage has been extended from 18 months to 29 months due to disability);
  - the date on which the Group stops providing any group health plan to any Employee;
  - the date on which coverage stops because of a Subscriber's failure to pay to the Group any premiums required for the COBRA Continuation Coverage;
  - the date on which the Subscriber first becomes (after the date of the election) covered under any other Group Health Plan which does not contain any exclusion or limitation with respect to a Preexisting Condition applicable to the Subscriber (or the date the Subscriber has satisfied the Preexisting Condition Exclusion period under that plan); or
  - the date on which the Subscriber becomes (after the date of the election) entitled to benefits under Medicare.

Your coverage will terminate retroactive to your Effective Date if you or the Group commits fraud or material misrepresentation in applying for or obtaining coverage under the Group Contract. Your coverage will end immediately if you file a fraudulent claim.

If your premiums are not paid, your coverage will stop at the end of the coverage period for which your premiums have been paid.

Termination of the Group Contract automatically ends all of your coverage at the same time and date. It is the responsibility of your Group to tell you of such termination.

WHAT WE WILL PAY FOR AFTER YOUR COVERAGE ENDS

- If your coverage ends for any reason, your Benefits will end on the effective date and time of such termination. However, termination will not deprive you of Benefits to which you would otherwise be entitled for Covered Services Incurred during a Hospital confinement which began before the date and time of termination. Benefits will be provided only for the lesser of:
  - a period of time equal to the length of time you were covered under the Contract; or
  - the duration of the Hospital confinement; or
  - 90 days following termination of coverage; or
  - the date the Subscriber becomes entitled to similar insurance through some other source.
• If your coverage ends because the Member terminates employment, or because the Group itself is terminated, your Benefits will end on the effective date and time of the termination of coverage. However, if you were covered under the Group Contract for at least six months before your coverage terminates, then you will be eligible for an extension of Benefits under this Certificate if:
  – Covered Services are Incurred due to illness or injury because of which you are Totally Disabled at the date and time such coverage is terminated; or
  – you have not completed a plan of surgical treatment (including maternity care and delivery expenses) which began prior to the date and time of such termination.

Coverage for the extension of Benefits will be limited to the lesser of:
  – the uninterrupted duration of the Total Disability or completion of a plan of surgical treatment; or
  – the payment of maximum Benefits; or
  – six months following the date and time your coverage terminates.

Your premiums must be submitted to the Plan during the period of the extension of Benefits and will be the same premiums which would have been charged for the coverage under the Group Contract had termination not occurred.

We will have no liability for any Benefits under your Certificate after your coverage terminates, except as specified above.

CONVERSION PRIVILEGE AFTER TERMINATION OF GROUP COVERAGE

If you stop being a Subscriber under the Group Contract, you are eligible for coverage under our Individual Conversion contract.

If you move to an area serviced by another Blue Cross Plan, you may transfer to the Blue Cross Plan serving that area.

When you transfer to an Individual Conversion contract or to a contract offered by another Blue Cross Plan, your coverage may be different from the coverage provided by this Certificate.

Payment for coverage under the conversion contract must be made from the date you cease to be a Subscriber under this Certificate.

Written application for a conversion contract must be received by Blue Cross and Blue Shield of Oklahoma no later than 31 days after your coverage terminates under this Certificate.

A conversion contract will not be available if you are:
  • a Member who is eligible for coverage under a group having a contract with us; or
  • a Dependent who is covered under any policy of benefits for hospital and surgical/medical care and services provided by an employer or group; or
  • any Subscriber who ceases to be eligible due to cancellation of the Contract, unless approved by the Plan.

WHEN YOU TURN AGE 65

Plan coverage is available to you and/or your spouse over age 65. However, the type of coverage you receive will depend upon whether you continue to work and the rules in effect for your particular Group, including federal regulations which apply to working people age 65 and older.

Your coverage may include:
  • a continuation of Group Benefits;
  • a combination of Group Benefits and Medicare; or
• one of our Medicare Supplement Policies (Plan65).

Check with your Group Administrator for details regarding the coverage options available to you and your Dependents (if any).

CERTIFICATES OF COVERAGE

In accordance with the provisions of the Health Insurance Portability and Accountability Act of 1996 (HIPAA), a Group Health Plan is required to provide you with a "Certificate of Coverage", without charge, upon the occurrence of any of the following events:

• **Qualified Beneficiaries Upon a Qualifying Event**

  In the case of an individual who is a qualified beneficiary entitled to elect COBRA Continuation Coverage, an automatic certificate is required to be provided at the time the individual would lose coverage under the plan in the absence of COBRA Continuation Coverage or alternative coverage elected instead of COBRA Continuation Coverage.

• **Other Individuals When Coverage Ceases**

  In the case of an individual who is not a qualified beneficiary entitled to elect COBRA Continuation Coverage, an automatic certificate is required to be provided at the time the individual ceases to be covered under the plan.

• **Qualified Beneficiaries When COBRA Ceases**

  In the case of an individual who is a qualified beneficiary and has elected COBRA Continuation Coverage (or whose coverage has continued after the individual became entitled to elect COBRA Continuation Coverage), an automatic certificate is to be provided at the time the individual's coverage under the plan ceases.

• **Any Individual Upon Request**

  Requests for certificates are permitted to be made by, or on behalf of, an individual within 24 months after coverage ceases.

The Certificate of Coverage gives detailed information about how long you had coverage under the plan. This information may be used to demonstrate "Creditable Coverage" to your new health plan or issuer of an individual health policy to demonstrate "Creditable Coverage". Creditable Coverage may be used to reduce the Preexisting Condition Exclusion period under the new coverage.

Blue Cross and Blue Shield of Oklahoma has established a toll-free telephone number (1-888-250-2005) to assist Subscribers in obtaining Certificates of Coverage and Preexisting Condition "credit".
Schedule of Benefits
Comprehensive Health Care Services

This section shows how much we pay for Covered Services described in the Comprehensive Health Care Services section that follows. Please note that services must be Medically Necessary in order to be covered under this program.

**BENEFIT PERIOD**
Calendar Year

**OFFICE VISIT COPAYMENT**
$25 for each visit to a BlueChoice PPO Physician's office. The Copayment applies to charges which are billed as part of your BlueChoice PPO Physician’s office visit.

**EXCEPTION:** The office visit Copayment does not apply to the following services, which (except for covered childhood immunizations) are subject to the Deductible and Coinsurance provisions of your coverage):

- Surgical services;
- Physical Therapy, Occupational Therapy and Speech and Hearing Therapy;
- Chemotherapy;
- Allergy testing and allergy injections;
- Covered childhood immunizations (for Subscribers under age 19);
- Psychiatric Care Services;
- Durable Medical Equipment.

The Copayment will also apply to laboratory and x-ray services performed at a BlueChoice PPO Provider in conjunction with a covered office visit, except for:

- Magnetic resonance imaging (MRI), computed tomography (CT), positron emission tomography (PET), electroencephalogram (EEG), echocardiogram, myocardial perfusion studies (MPS), and other similar imaging tests; and
- Pathology and laboratory procedures under the CPT code classifications of Cytogenetic Studies, Surgical Pathology, or Transcutaneous Procedures.

The Copayment does not count toward the Deductible or Out-of-Pocket Limit under this Certificate. In addition, the Copayment will continue to apply to charges Incurred after the Deductible and/or Out-of-Pocket Limit has been reached.
DEDUCTIBLE

Out-of-Network Hospital Deductible

$250 per Inpatient Hospital Admission.

Emergency Room Deductible

$100 per each visit to a Hospital emergency room. This Deductible is waived if you are admitted to the Hospital through the emergency room visit.

Benefit Period Deductible

$500 per Benefit Period per Subscriber.

The Benefit Period Deductible is in addition to the Out-of-Network Hospital Deductible described above.

The Benefit Period Deductible applies to all Covered Services, except:

- Routine Nursery Care;
- BlueChoice PPO Physician services which are subject to the office visit Copayment;
- Child Health Supervision Services (for Subscribers under age 19);
- Preventive Care Services performed by BlueChoice PPO Providers (for Subscribers age 19 or older);
- Annual routine gynecological/obstetrical examination and Pap smear;
- Annual prostate cancer screening;
- Annual colorectal cancer screening;
- Annual bone density testing;
- Immunizations;
- Routine Low-Dose Mammography;
- Ambulance Services.

FAMILY DEDUCTIBLE

If your coverage includes your Dependents, then:

- no more than three times the individual Deductible must be satisfied in each Benefit Period for all family members covered under your membership; and
- if two or more Subscribers under your membership incur expenses for Covered Services as a result of injuries received in the same accident, only one Deductible will be applied to the aggregate of such charges.

No family Subscriber will contribute more than the individual Deductible amount.

The Family Deductible provisions described above do not include the Out-of-Network Hospital Deductible for each Inpatient admission to a Hospital which is not a BlueChoice PPO Provider.
OUT-OF-POCKET LIMIT

- **BlueChoice PPO and BlueCard PPO Provider Services** – When you have paid $2,800 in excess of the Deductible amount for Covered Services provided by BlueChoice PPO and BlueCard PPO Providers during a Benefit Period, the amount of Allowable Charges covered by the Plan on your behalf will increase to 100% during the remainder of the Benefit Period for Covered Services you receive from network Providers.

- **Out-of-Network Provider Services** – When you have paid $3,300 in excess of the Deductible amount for Covered Services provided by Out-of-Network Providers during a Benefit Period, the amount of Allowable Charges covered by the Plan on your behalf will increase to 100% during the remainder of the Benefit Period for Out-of-Network Provider services.

These Out-of-Pocket Limits are cumulative. This means that any expenses you receive from BlueChoice PPO Providers, BlueCard PPO Providers or Out-of-Network Providers will count toward the Out-of-Pocket Limits for both in-network and out-of-network services. However, the Out-of-Network Provider Services Out-of-Pocket Limit will apply any time you receive services from an Out-of-Network Provider, even though you may have previously satisfied the in-network Out-of-Pocket Limit.

The Out-of-Pocket Limit does not apply to the following:

- any Deductible applicable to this Plan (including the Benefit Period Deductible, Hospital Admission Deductible, Out-of-Network Hospital Deductible, Emergency Room Deductible and Outpatient Surgery Deductible);
- any penalty for failure to follow the Precertification guidelines under this Plan;
- Physician services which are subject to the office visit Copayment;
- charges for Outpatient Prescription Drugs;
- charges over the Allowable Charge.

LIFETIME MAXIMUM

Unlimited.

BENEFIT PERCENTAGE

The following chart shows the percentage of Allowable Charges covered by your BlueChoice PPO program through payments and/or contractual arrangements with Providers. These percentages apply only after your Copayment, Deductible and/or Coinsurance has been satisfied.

- **DEFINITIONS**

In addition to the definitions listed under the Definitions section of this Certificate, the following definitions shall apply and/or have special meaning for the purpose of this section:

- **Bone Marrow Transplant**

  A medical and/or surgical procedure comprised of several steps or stages including:
  - the harvest of stem cells or progenitor cells, whether from the bone marrow or from the blood, from a third-party donor (allogeneic transplant) or from the patient (autologous transplant);
  - processing and/or storage of the stem cells or progenitor cells after harvesting;
  - the administration of High-Dose Chemotherapy and/or High-Dose Radiation Therapy, when this step is prescribed by the treating Physician;
  - the infusion of the harvested stem cells or progenitor cells; and
  - hospitalization, observation and management of reasonably anticipated complications such as graft versus host disease, infections, bleeding, organ or system toxicities and low blood counts.

The above definition of autologous Bone Marrow Transplant specifically includes transplants wherein the transplant component is derived from circulating blood in lieu of, or in addition to, harvested directly from the bone marrow, a procedure commonly known as peripheral stem cell or progenitor cell transplant or rescue procedure. This definition further specifically includes all component parts of the procedure including, without limitation, the High-Dose Chemotherapy and/or High-Dose Radiation Therapy.

- **High-Dose Chemotherapy**

  A form of Chemotherapy wherein the dose exceeds standard doses of Chemotherapy to the extent that virtually all patients who receive High-Dose Chemotherapy sustain destruction of the bone marrow to
the point that bone marrow or peripheral stem cells or progenitor cells must be implanted or infused to keep the patient alive.

- **High-Dose Radiation Therapy**
  A form of Radiation Therapy wherein the dose exceeds standard doses of Radiation Therapy resulting in destruction of the bone marrow to the point that bone marrow or peripheral stem cells or progenitor cells must be implanted or infused to keep the patient alive.

- **Precertification**
  Certification from the Plan that, based upon the information submitted by the Subscriber’s attending Physician, Benefits will be provided under the Contract. Precertification is subject to all conditions, exclusions and limitations of the Contract. Precertification does not guarantee that all care and services a Subscriber receives are eligible for Benefits under the Contract.

- **Procurement Services**
  The services provided to search for and match the human organ, tissue, bone marrow, peripheral stem cells, or progenitor cells donated to the transplant recipient, surgically remove the organ, tissue, bone marrow, peripheral stem cells, or progenitor cells from the donor and transport the organ, tissue, bone marrow, peripheral stem cells, or progenitor cells to the location of the recipient within 24 hours after the match is made.

**TRANSLANT SERVICES**

COVERED SERVICES
Benefits are provided for Outpatient Prescription Drugs and related services, limited to the following:

- Prescription Drugs dispensed for a Subscriber’s Outpatient use, when recommended by and while under the care of a Physician or other Provider;
- Injectable insulin and insulin products, but only when dispensed in accordance with a written prescription by a licensed Physician;
- Oral contraceptives, when prescribed by a licensed Physician;
- Prescription smoking cessation products for treatment of nicotine addiction;
- Prescription Drugs prescribed for treatment of attention deficit disorder (ADD) or attention deficit hyperactivity disorder (ADHD) for Subscribers age 19 and under, subject to the Plan’s guidelines for Precertification; and
- Self-injectable Prescription Drugs, when dispensed by a Pharmacy. Self-injectable drugs purchased from a Physician and administered in his/her office are not covered.

Benefits will not be provided for Prescription Drugs prescribed and used for cosmetic purposes or for compounded medications. For purposes of this exclusion, “compounded medications” are substances made by mixing, reconstituting or other such acts, not in accordance with directions contained in Food and Drug Administration (FDA) approved labeling provided by the product’s manufacturer and other FDA-approved manufacturer directions consistent with that labeling.

PAYMENT OF BENEFITS

- Benefits are provided for Prescription Drugs dispensed for a Subscriber’s Outpatient use when recommended by and while under the care of a Physician or other Provider, provided such care and treatment is Medically Necessary.
- When Prescription Drugs and related services are dispensed by a Participating Pharmacy, the Plan will pay directly to the Pharmacy the Allowable Charge for the drugs, less the applicable Copayment or Coinsurance amount specified in the Schedule of Benefits for Outpatient Prescription Drugs.
- When Prescription Drugs are dispensed by a Pharmacy which is not a Participating Pharmacy, Benefits are reduced to 80% of the Allowable Charge for the drugs, less the applicable Copayment or Coinsurance.
- Benefits for Prescription drugs are available to the Subscriber only:
  - in accordance with a Prescription Order; and
  - after the Subscriber has incurred charges equal to the Copayment or Coinsurance applicable to each Prescription Order. If the charge for your prescription is less than your Copayment, you will pay the lesser amount.
• Benefits will be provided for Prescription Drugs dispensed in the following quantities:
  – Up to a 34-day supply or 100 unit doses (whichever is greater) for "non-maintenance" drugs; or
  – Up to a 102-day supply or 300 unit doses (whichever is greater) for nitroglycerin, natural thyroid products, and other drugs designated by the Plan as "maintenance" legend Prescription Drugs.

Prescription Drug Benefits are not provided under this Certificate for charges for Prescription Drugs dispensed in excess of the above stated amounts.

• Benefits will not be provided for a prescription refill until 75% of the previous Prescription Order has been used by the Subscriber.

• Charges Incurred for Prescription Drugs do not count toward satisfaction of the Deductible or Out-of-Pocket Maximum which apply to Comprehensive Health Care Services (set forth in the Schedule of Benefits for Comprehensive Health Care Services).

**PRESCRIPTION DRUG PRECERTIFICATION PROCESS**

The Plan has designated certain drugs which require prior approval (Precertification) in order for Benefits to be available under this Certificate. Precertification helps to assure that your Prescription Drug meets the Plan's guidelines for Medical Necessity for the condition being treated.

A form of Precertification is our Step Therapy program – a “step” approach to providing Benefits for certain medications your Physician prescribes for you. This means that you may first need to try one or more “prerequisite” medications before certain high-cost medications are approved for coverage under your Prescription Drug program.

If your Physician prescribes a drug requiring prior approval, you may obtain your prescription from a Participating Pharmacy by following one of the following steps:

• **You may obtain approval prior to going to the Pharmacy to have your prescription filled.**
  
  You can obtain a listing of the drugs which require Precertification by contacting a Customer Service representative at 1-877-258-6781. Or, you may request a listing by writing to Blue Cross and Blue Shield of Oklahoma, P. O. Box 3283, Tulsa, Oklahoma 74102-3283.
  
  Please keep in mind that the listing of drugs requiring Precertification will change periodically as new drugs are developed or as required to assure Medical Necessity.

  If your Physician prescribes a drug which requires prior approval, you or the Physician may request Precertification by calling the Customer Service number listed above.

  When you present your prescription to a Participating Pharmacy, along with your Blue Cross and Blue Shield of Oklahoma Identification Card, the pharmacist will submit an electronic claim to the Plan to determine the appropriate Benefits.

  If the Precertification request is approved prior to your trip to the Participating Pharmacy, your pharmacist will dispense the Prescription Drug as prescribed and collect any applicable Copayment or Coinsurance amount.

  If the Precertification request was denied, the pharmacist will receive an electronic message indicating that Benefits are not available for the drugs. You will be responsible for the full cost of your prescription.

• **Your Participating Pharmacy may begin the Precertification process for you.**
  
  If you do not request approval of a drug before you go to the Pharmacy to have your prescription filled, your pharmacist will begin the Precertification process when you present your Blue Cross and Blue Shield of Oklahoma Identification Card with your Prescription Order. When the pharmacist submits your claim electronically, he/she will receive a message indicating that Precertification is required.
At this point, you may request a three-day supply of the drug while the Plan completes the approval process. Your pharmacist will collect the appropriate Copayment or Coinsurance amount from you at the time of purchase.

Once the three-day supply has been used, you may return to the Pharmacy to obtain the remainder of your Prescription Order. The Participating Pharmacy will resubmit the claim electronically to determine whether the Precertification request has been approved or denied.

- If Precertification is approved for the drug, you may return to the Pharmacy to obtain the full Prescription Order, subject to any Copayment or Coinsurance amount applicable to the balance of the drug quantity dispensed.

- If the Precertification is denied, you may obtain your Prescription Order by paying the full cost for the drugs.

- Regardless of the Plan’s decision, you will be notified in writing regarding the outcome of your Precertification approval request.

If you purchase your prescriptions from an Out-of-Network (non-participating) Pharmacy, or if you do not have your Identification Card with you when you purchase your prescriptions, it will be your responsibility to pay the full cost of the Prescription Drugs and to submit a claim form (with your itemized receipt) to receive any Benefits available under your Prescription Drug program. Send the completed claim form to:

   Blue Cross and Blue Shield of Oklahoma  
   Prescription Drug Claims  
   P. O. Box 3283  
   Tulsa, Oklahoma  74102-3283

If the drug you received is one which requires prior approval, the Plan will review the claim to determine if Precertification approval would have been given. If so, Benefits will be processed in accordance with your Prescription Drug coverage. If the Precertification approval is denied, no Benefits will be available under the Contract for the Prescription Order.

To view a listing of the drugs which are included in the Precertification/Step Therapy program, please visit our Web site at www.bcbsok.com. If you have questions about Step Therapy, or any other aspects of the Precertification process, please call 1-877-258-6781 for assistance.

PREEXISTING CONDITION EXCLUSION

Your Benefits under this Certificate are subject to a Preexisting Condition Exclusion period. However, the Preexisting Condition Exclusion will only apply to you and/or a Dependent if the following conditions are met:

• Six-month Look-back Rule
  – The Preexisting Condition Exclusion must relate to a condition (whether physical or mental, and regardless of the cause of the condition) for which medical advice, diagnosis, care, or treatment was recommended or received within the six-month period ending on the Subscriber's Enrollment Date.
  – In order to be taken into account, the medical advice, diagnosis, care, or treatment must have been recommended or received from an individual licensed or similarly authorized to provide such services under state law and operating within the scope of practice authorized by state law.
  – The six-month look-back period is based on the six-month "anniversary date" of the Enrollment Date.
• **Length of Preexisting Condition Exclusion Period**
  
The exclusion period cannot extend for more than 12 months (18 months for Late Enrollees\*) after the Enrollment Date. The 12-month or 18-month "look forward" period is also based on the anniversary date of the Enrollment Date.

• **Reduction of Preexisting Condition Exclusion Period by Prior Coverage**
  
In general, the Preexisting Condition Exclusion period must be reduced by the individual's days of "Creditable Coverage" as of the Enrollment Date. Creditable Coverage includes coverage from a wide range of specified sources, including Group Health Plans, health insurance coverage, Medicare, and Medicaid. However, days of Creditable Coverage that occur before a Significant Break In Coverage (63 or more consecutive days) will not be counted in reducing the Preexisting Condition Exclusion period.

In addition, the Preexisting Condition Exclusion period will be waived for an individual with prior Creditable Coverage through a Health Maintenance Organization, and who Enrolls under this Certificate without a Significant Break In Coverage.

• **Elimination of Preexisting Condition Exclusion for Pregnancy and for Certain Children**
  
A Preexisting Condition Exclusion cannot apply to pregnancy. In addition, a Preexisting Condition Exclusion period cannot be applied to a newborn, an adopted child under age 18, or a child Placed for Adoption under age 18, if the child becomes covered within 31 days of birth, adoption, or Placement for Adoption.

• **Notice to Subscribers**
  
The Plan may only impose a Preexisting Condition Exclusion with respect to a Subscriber by notifying the Subscriber, in writing, of the existence and terms of any Preexisting Condition Exclusion under the Plan and of the rights of the Subscriber to demonstrate Creditable Coverage. The Plan will assist the Subscriber in obtaining a Certificate of Coverage from any prior health plan or issuer, if necessary.

The Plan may, without waiving the above provisions, elect to provide Benefits for care and services while awaiting the decision of whether or not the care and services fall within the above Preexisting Condition limitations. If it is later determined that the care and services are excluded from the Subscriber's coverage, the Plan will be entitled to recover the amount it has allowed for Benefits under this Certificate. The Subscriber must provide the Plan with all documents it needs to enforce its rights under this provision.

\* See the Definitions section for an explanation of this term.
General Provisions

This section tells:

- The Benefits to which you are entitled;
- How to get Benefits;
- Your relationship with Hospitals, Physicians, and other Providers;
- Your relationship with us;
- Coordination of Benefits when you have other coverage.

**Benefits to Which You Are Entitled**

We provide only the Benefits specified in this Certificate.

Only Subscribers are entitled to Benefits from us and they may not transfer their rights to Benefits to anyone else.

Benefits for Covered Services specified in this Certificate will be covered only for those Providers specified in this Certificate.

**Prior Approval**

The Plan does not give prior approval or guarantee Benefits for any services through its Precertification process, or in any oral or written communication to Subscribers or other persons or entities requesting such information or approval.

**Notice and Properly Filed Claim**

The Plan will not be liable under the Contract unless proper notice is furnished to the Plan that Covered Services have been rendered to you. Upon receipt of written notice, the Plan will furnish claim forms to you for submitting a Properly Filed Claim. If the forms are not furnished within 15 days after the Plan receives your notice, you may comply with the Properly Filed Claim requirements by forwarding to the Plan, within the time period set forth below, written proof covering the occurrence, character and extent of loss for which the claim is made.

Your Properly Filed Claim must be furnished to the Plan within 90 days after the end of the Benefit Period for which claim is made.

Failure to provide a Properly Filed Claim to the Plan within 90 days will not reduce any Benefit if you show that the claim was given as soon as reasonably possible.

**Limitation of Actions**

No legal action may be taken to recover Benefits within 60 days after a Properly Filed Claim has been made. No such action may be taken later than two years after expiration of the time within which a Properly Filed Claim is required by the Contract.

**Payment of Benefits**

You authorize us to make payments directly to Providers giving Covered Services for which we provide Benefits under the Contract. We also reserve the right to make payments directly to you.
You cannot assign your right to receive payment to anyone else, either before or after Covered Services are received.

Once a Provider gives a Covered Service, we will not honor a request not to pay the claims submitted.

Benefits under the Group Contract will be based upon the Allowable Charge (as we determine) for Covered Services. A BlueChoice PPO Provider will accept the Allowable Charge as payment in full and will make no additional charge to you for Covered Services. However, if you receive Covered Services from an Out-of-Network Provider, you may be responsible for amounts which exceed the Allowable Charge, in addition to the Deductible and/or Coinsurance amounts.

In some cases, Covered Services may be rendered by a Provider who has a Participating Provider Agreement (other than a BlueChoice PPO Provider Agreement) with the Plan. These Providers (called BlueTraditional Providers) have agreed to charge Plan Subscribers no more than a "Maximum Reimbursement Allowance" for Covered Services. Subscribers who use BlueTraditional Providers are responsible for amounts over the "Allowable Charge," up to but not exceeding the "Maximum Reimbursement Allowance" specified in the Provider's Participating Provider Agreement.

**BENEFITS FOR SERVICES OUTSIDE THE STATE OF OKLAHOMA**

All Blue Cross and Blue Shield Plans participate in a national program called the "BlueCard Program". This national program benefits Blue Cross and Blue Shield Subscribers who receive Covered Services outside the state of Oklahoma.

When you obtain health care services through BlueCard outside the state of Oklahoma, the amount you pay for Covered Services is calculated on the lower of:

- The billed charges for your Covered Services; or
- The negotiated price that the on-site Blue Cross and/or Blue Shield Licensee ("Host Blue") passes on to us.

Often, this "negotiated price" will consist of a simple discount which reflects the actual price paid by the Host Blue. But sometimes it is an estimated price that factors into the actual price expected settlements, withholds, any other contingent payment arrangements and non-claims transactions with your health care Provider or with a specified group of Providers. The negotiated price may also be billed charges reduced to reflect an average expected savings with your health care Provider or with a specified group of Providers. The price that reflects average savings may result in greater variation (more or less) from the actual price paid than will the estimated price. The negotiated price will also be adjusted in the future to correct for overestimation or underestimation of past prices. However, the amount you pay is considered a final price.

Statutes in a small number of states may require the Host Blue to use a basis for calculating Subscriber liability for Covered Services that does not reflect the entire savings realized, or expected to be realized, on a particular claim or to add a surcharge. Should any state statutes mandate Subscriber liability calculation methods that differ from the usual BlueCard method noted in the above paragraph or require a surcharge, Blue Cross and Blue Shield of Oklahoma would then calculate your liability for any covered health care services in accordance with the applicable state statute in effect at the time you received your care.

**NOTE:** Blue Cross and Blue Shield of Oklahoma may postpone application of your Copayment, Deductible and/or Coinsurance amounts whenever it is necessary so that we may obtain a Provider discount for you on Covered Services you receive outside the state of Oklahoma.

**DETERMINATION OF BENEFITS AND UTILIZATION REVIEW**

The Plan, as claims administrator, is hereby granted discretionary authority to interpret the terms and conditions of the Contract and to determine its Benefits.

In determining whether services or supplies are Covered Services, the Plan will determine whether a service or supply is Medically Necessary under the Plan or if such service or supply is Experimental or Investigational.
Blue Cross and Blue Shield of Oklahoma medical policies are used as guidelines for coverage determinations in health care benefit programs unless otherwise indicated. Medical technology is constantly evolving and these medical policies are subject to change. Copies of current medical policies may be obtained from the Plan upon request and may be found on the Plan’s Web site at www.bcbsok.com.

The Plan's medical staff may conduct a medical review of your claims to determine that the care and services received were Medically Necessary. In the case of Inpatient claims, the Plan must also determine that the care and services were provided in the most appropriate level of care consistent with your discharge diagnosis.

The fact that a Physician or other Provider prescribes, orders, recommends or approves a service or supply does not, of itself, make it Medically Necessary or a Covered Service, even if it is not specifically listed as an exclusion under the Contract.

To assist the Plan in its review of your claims, the Plan may request that:

- you arrange for medical records to be provided to the Plan; and/or
- you submit to a professional evaluation by a Provider selected by the Plan, at the Plan's expense; and/or
- a Physician consultant or panel of Physicians or other Providers appointed by the Plan review the claim.

Failure of the Subscriber to comply with the Plan's request for medical records or medical evaluation may result in Benefits being partially or wholly denied.

SUBSCRIBER/PROVIDER RELATIONSHIP

The choice of a Provider is solely yours.

Providers are not employees, agents or other legal representatives of Blue Cross and Blue Shield of Oklahoma. We do not furnish Covered Services but only pay for Covered Services you receive from Providers. We are not liable for any act or omission of any Provider. We have no responsibility for a Provider's failure or refusal to give Covered Services to you.

Our reference to Providers as "BlueChoice PPO", "BlueCard PPO" or "Out-of-Network" is not a statement or warranty about their abilities or professional competency.

AGENCY RELATIONSHIPS

The Group is your agent, not our agent.

Providers are not employees, agents or other legal representatives of Blue Cross and Blue Shield of Oklahoma.

COORDINATION OF BENEFITS

All Benefits provided under the Contract are subject to this provision.

- Definitions

In addition to the definitions of the Contract and this Certificate, the following definitions apply to this provision.

"Other Contract" means any arrangement, except as specified below, providing health care benefits or services through:

- Group, blanket or franchise insurance coverage;
- Blue Cross Plan, Blue Shield Plan, Health Maintenance Organization, and other prepayment coverage;
- Coverage under labor-management trusteeed plans, union welfare plans, employer organization plans, or employee benefit organization plans;
Coverage toward the cost of which any employer has contributed, or with respect to which any employer has made payroll deduction; and

Coverage under any tax supported or government program to the extent permitted by law.

Coverage under specific benefit arrangements, such as dental care or vision care benefit plans that are not part of a comprehensive health care benefit plan, shall be excluded from the definition of "Other Contract" herein.

"Covered Service" additionally means a service or supply furnished by a Hospital, Physician, or other Provider for which benefits are provided under at least one contract covering the person for whom claim is made or service provided.

"Dependent" additionally means a person who qualifies as a Dependent under an Other Contract.

- **Effect On Benefits**

If the total Benefits for Covered Services to which you would be entitled under the Group Contract and all Other Contracts exceed the Covered Services you receive in any Benefit Period, then the Benefits we provide for that Benefit Period will be determined according to this provision.

When we are primary, we will pay Benefits for Covered Services without regard to your coverage under any Other Contract.

When we are secondary, the Benefits we pay for Covered Services will be reduced so that the total Benefits payable under the Group Contract and all Other Contracts will not exceed the balance of Allowable Charges remaining after the benefits of Other Contracts are applied to Covered Services.

- **Order Of Benefit Determination**

  - When a person who received care is covered as an employee under one group contract, and as a Dependent under another, then the employee coverage pays first.

  - When a Dependent child is covered under two group contracts, the contract covering the child as a Dependent of the parent whose birthday falls earliest in the Calendar Year pays first. (If one contract does not follow the "birthday rule" provision, then the rule followed by that contract is used to determine the order of benefits.

    However, when the Dependent child's parents are separated or divorced, the following rules apply:

    • If the parent with custody of the child has not remarried, the coverage of the parent with custody pays first.

    • When a divorced parent with custody has remarried, the coverage of the parent with custody pays first and the stepparent's coverage pays second before the coverage of the parent who does not have custody.

    • Regardless of which parent has custody, whenever a court decree specifies the parent who is financially responsible for the child's health care expenses, the coverage of that parent pays first.

    • When none of the above circumstances applies, the coverage you have had for the longest time pays first, except that a contract which covers you as a laid-off or retired employee or as a Dependent of such person pays after a contract which covers you as other than a laid-off or retired employee or Dependent of such person.

- When the Plan requests information from another carrier to determine the extent or order of your benefits under an Other Contract, and such information is not furnished after a reasonable time, then the Plan shall:

  • Assume the Other Contract is required to determine its benefits first;

  • Assume the benefits of the Other Contract are identical to the Benefits of this coverage.
Once the Plan receives the necessary information to determine your benefits under the Other Contract and to establish the order of benefit determination under the rules listed above, prior payments under this coverage will be adjusted accordingly (if the above rules require it).

- If the other carrier reduces your benefits because of payment you received under this coverage and the above rules do not allow such reduction, then the Plan will advance the remainder of its full Benefits under this coverage as if your Benefits had been determined in absence of an Other Contract. **However, the Plan shall be subrogated to all of your rights under the Other Contract.** You must furnish all information reasonably required by the Plan in such event, and you must cooperate and assist the Plan in recovery of such sums from the other carrier.

- If the other carrier later provides benefits to you for which the Plan has made payments or advances under this Coordination of Benefits provision, you must hold all such payments in trust for the Plan and must pay such amount to the Plan upon receipt.

**Facility Of Payment**

If payment is made under any Other Contract which we should have made under this provision, then we have the right to pay whoever paid under the Other Contract the amount we determine is necessary under this provision. Amounts so paid are Benefits under the Contract and we are discharged from liability to the extent of such amounts paid for Covered Services.

**Right Of Recovery**

If we pay more for Covered Services than this provision requires, we have the right to recover the excess from anyone to or for whom the payment was made. You agree to do whatever is necessary to secure our right to recover the excess payment.

**PHARMACY BENEFIT ADMINISTRATION**

Blue Cross and Blue Shield of Oklahoma contracts with a Pharmacy Benefit Manager (PBM) for certain pharmacy benefit management services, including drug rebate services. Among other contractual services, the PBM negotiates rebate arrangements with drug manufacturers and prepares and submits drug utilization reports to manufacturers. The PBM, in turn, makes drug rebate payments to Blue Cross and Blue Shield of Oklahoma, which vary based on a number of factors, including the PBM’s arrangements with drug manufacturers and the total volume of claims for Prescription Drugs dispensed to Blue Cross and Blue Shield of Oklahoma Subscribers as a group each period. Blue Cross and Blue Shield of Oklahoma applies these payments to general administrative expenses and Prescription Drug benefit administration expenses. Because drug rebates are calculated on a collective, retrospective basis and do not affect the amount charged by or paid to any dispensing pharmacy, rebate payments received by Blue Cross and Blue Shield of Oklahoma do not affect the calculation of the amount of Coinsurance or Copayment paid by the Subscriber.

**PLAN'S RIGHT OF RECOUPMENT**

You agree to reimburse us for Benefits we have paid and for which you were not eligible under the terms of the Contract. This payment is due and payable immediately when you are notified by the Plan. Also, we have the sole right to determine that any overpayments, wrong payments, or any excess payments made for you under this Certificate are an indebtedness which we may recover by deducting it from any future Benefits under this Certificate, or under any other coverage provided by the Plan. Our acceptance of your premiums or payment of Benefits under this Certificate does not waive our rights to enforce these provisions in the future.

To the extent the Plan provides or pays Benefits for Covered Services for any injury, illness or condition which occurs through the omission or commission of any act by another person, each Subscriber agrees that the Plan shall have a first lien on any settlement proceeds, and the Subscriber shall reimburse and pay the Plan, on a first-priority basis, from any money recovered by suit, settlement, judgment or otherwise from another party or his or her insurer or from any carrier providing uninsured/underinsured motorist coverage. Each Subscriber shall reimburse the Plan on a first-priority basis regardless of whether a lawsuit is actually filed or not and, if settled,
regardless of how the settlement is structured or which items of damages are included in the settlement, and regardless of whether or not he or she is made whole or is fully compensated for any injuries.

You must hold in trust for us any money (up to the amount of Benefits we have paid) you recover, as described above. You must give us information and assistance and sign necessary documents to help us enforce our rights. Failure to comply with the above provisions may result in termination of your coverage and/or legal action to enforce collection.

**LIMITATIONS ON PLAN'S RIGHT OF RECOUPMENT/RECOVERY**

The Plan will not seek recovery of any excess or erroneous payment made under this Certificate more than 24 months after the payment is made, unless:

- the payment was made because of fraud committed by the Subscriber or the Provider; or
- the Subscriber or Provider has otherwise agreed to make a refund to the Plan for overpayment of a claim.

**PLAN/ASSOCIATION RELATIONSHIP**

Each Subscriber hereby expressly acknowledges its understanding that the Group Contract constitutes a contract solely between the Group and the Plan, that the Plan is an independent corporation operating under a license from the Blue Cross and Blue Shield Association, an association of independent Blue Cross and Blue Shield Plans (the "Association"), permitting the Plan to use the Blue Cross and Blue Shield Service Marks in the State of Oklahoma, and that the Plan is not contracting as the agent of the Association. It is further understood that the Group has not entered into the Group Contract based upon representations by any person other than the Plan and that no person, entity, or organization other than the Plan shall be held accountable or liable to the Group or its Subscribers for any of the Plan's obligations to the Group or Subscribers created under the Group Contract. This paragraph shall not create any additional obligations whatsoever on the part of the Plan other than those obligations created under other provisions of the Group Contract.
Blue Cross and Blue Shield of Oklahoma is happy to be able to serve you and provide the quality health care benefits you need and deserve. As with any health insurance plan, you, and each of your covered Dependents, have certain rights.

Claims Filing Procedures

This program begins to pay only after the Copayment and/or Deductible amount you incur toward eligible expenses shows on our records. When your Physician, Hospital, or other Provider of health care services submits bills for you, your Copayment and/or Deductible will be recorded automatically and then your program will begin its share of the payment. If you file your own claims, you must submit copies of all your bills, even those you must pay to meet your Copayment and/or Deductible. Then our records will show that you have Incurred the Copayment and/or Deductible amount, and your health care coverage will begin to help pay the balance of your eligible expenses.

BLUECHOICE PPO PROVIDERS

BlueChoice PPO Providers have agreed to submit claims directly to the Plan for you. When you receive Covered Services from a network Provider, simply show your Identification Card, and claims submission will be handled for you. If you must use a Provider who is not a member of the Plan's BlueChoice PPO Network, you should follow the guidelines below in submitting your claims.

REMEMBER . . .

To receive the maximum Benefits under your BlueChoice PPO program, you must receive treatment from the BlueChoice PPO Providers shown in your directory.

PRESCRIPTION DRUG CLAIMS

To be eligible for discounts on Prescription Drugs and automatic claims filing, always use Participating Pharmacies. Keep in mind that you receive the highest Benefits under this program whenever your prescriptions are filled by a Participating Pharmacy.

If you find it necessary to purchase your prescriptions from an Out-of-Network Pharmacy, or if you do not have your Identification Card with you when you purchase your prescriptions, it will be your responsibility to pay the full cost of the Prescription Drugs and to submit a claim form (with your itemized receipt) to receive the Benefits available under your Prescription Drug program. Be sure to include the diagnosis and the payment receipt with your completed claim form. If the Prescription Drug is covered under this program, any payment due will be sent directly to you, after we subtract any shared payment amounts which apply to your coverage.

HOSPITAL CLAIMS

In rare cases when you are admitted as an Inpatient or receive treatment as an Outpatient in a Hospital which does not have an agreement with us (whether in-state or out-of-state), you should pay the Hospital yourself and then file a claim for Covered Hospital Services.

AMBULATORY SURGICAL FACILITY CLAIMS

If you are treated at a facility which does not have an agreement with us, you should pay the facility and then submit a claim to us for Covered Services.

PHYSICIAN AND OTHER PROVIDER CLAIMS

If you are treated by a Physician or other Provider who does not have an agreement with us, you ordinarily have to pay the bill and then file the claim yourself, along with an itemized statement from your Physician or other Provider. You will then be paid directly for Covered Services after we subtract your Deductible and/or Coinsurance amounts which apply to your coverage.
MEMBER-Filed CLAIMS

When you must file a claim yourself, you may obtain claim forms by contacting the nearest Plan office. Be sure to fill out the claim form completely, sign it, and attach the Provider's itemized statement. Send the completed form to:

Blue Cross and Blue Shield of Oklahoma  
P.O. Box 3283  
Tulsa, Oklahoma  74102-3283

It is important that all information requested on the claim form be given; otherwise, the claim form may be returned to you for additional information before we can process your claim for Benefits.

A separate claim form must be filled out for each Subscriber, along with that person's expenses. A separate claim form must accompany each group of statements (if filed at different times).

IMPORTANT: Remember to send the itemized statement with all your claims. It gives the following necessary information:

- Full name of patient;
- Medical service(s) performed;
- Date of service(s);
- Who rendered service(s);
- Charge for service(s);
- Diagnosis.

Cancelled checks, cash register receipts, personal itemizations and statements that show only the balance due are not acceptable.

When you file claims, be sure to keep copies of all bills and receipts for your own personal records.

Remember, we must receive your claims for Covered Services within 90 days following the end of the Benefit Period for which the claim is made.

BENEFIT DETERMINATIONS FOR PROPERLY FILED CLAIMS

Once the Plan receives a Properly Filed Claim from you or your Provider, a Benefit determination will be made within 30 days. This period may be extended one time for up to 15 additional days, if the Plan determines that additional time is necessary due to matters beyond our control.

If we determine that additional time is necessary, you will be notified, in writing, prior to the expiration of the original 30-day period, that the extension is necessary, along with an explanation of the circumstances requiring the extension of time and the date by which the Plan expects to make the determination.

Upon receipt of your claim, if the Plan determines that additional information is necessary in order for it to be a Properly Filed Claim, we will provide written notice to you, prior to the expiration of the initial 30-day period, of the specific information needed. You will have 45 days from receipt of the notice to provide the additional information. The Plan will notify you of its Benefit determination within 15 days following receipt of the additional information.

The procedure for appealing an adverse Benefit determination is set forth in the section entitled, "Complaint/Appeal Procedure."

We have a direct line for claims and membership inquiries. You may call 1-877-258-6781 between 8:00 a.m. and 5:00 p.m., Monday through Friday, whenever you have a question concerning a claim or your membership.
Complaint/Appeal Procedure

Blue Cross and Blue Shield of Oklahoma has established the following process to review your dissatisfactions, complaints and/or appeals. If you have designated an authorized representative, that person may act on your behalf in the appeal process.*

If you have a question or complaint, an initial attempt should be made to resolve the problem by directly communicating with a Blue Cross and Blue Shield of Oklahoma Customer Service Representative. In most cases, a Customer Service Representative will be able to provide you with a satisfactory solution to your problem. However, if a resolution cannot be reached in an informal exchange, you may request an administrative review of the problem through our appeal process described below.

You may request to review information used to make any adverse determination. Copies will be provided free of charge.

APPEAL PROCESS (LEVEL I)

If you are not satisfied with the initial attempt to resolve your problem, or if you wish to request a review of a Benefit determination or Precertification decision, you must request an appeal within 180 days from the date you received notice of the adverse Benefit determination or Precertification notice. A Provider can also appeal the adverse Benefit determination or Precertification decision. The Provider’s appeal will be considered an appeal on your behalf.

You and/or your Provider should include any documentation, including medical records, that you want to become a part of the review file. The Plan may request further information if necessary.

  - In the case of an appeal involving a non-urgent Precertification request, the Plan will provide a written response to you no later than 30 days following the date the appeal is received.
  - In the case of an appeal involving a claim other than a Precertification request, the Plan will provide a written response to you no later than 60 days following the date the appeal is received.

- **How to File an Appeal of a Precertification Request Involving Urgent Care**

*The Plan has established procedures for you to designate an individual to act on your behalf with respect to a Benefit claim or an appeal of an adverse Benefit determination. A Provider or other health care professional with knowledge of your medical condition is permitted to act as your authorized representative or bring an appeal on your behalf.
– The Plan will respond to you no later than 72 hours after the appeal request is received.
– The Plan’s response to a Precertification Request Involving Urgent Care, including an adverse determination, if applicable, may be issued orally. A written notice will also be provided within three days following the oral notification.

**VOLUNTARY RE-REVIEW PROCESS (LEVEL II)**

If you are not satisfied with the decision concerning the appeal, you may elect to submit the adverse Benefit determination to the Plan for re-review. The Plan will provide you with information about the Plan’s voluntary re-review process.

Necessary facts are: dates and places of services, names of Providers of services, place of hospitalization and types of services or procedures received (if applicable). You should include any documentation, including medical records, that you want to become a part of the review file. The Plan may request further information if necessary.

A Precertification Request Involving Urgent Care may be re-reviewed by calling the Precertification number shown on the Identification Card.

**EXTERNAL REVIEW (LEVEL III)**

For services that are denied as not Medically Necessary, medically appropriate, or medically effective, Oklahoma law provides the right to an external review by an independent review organization. If requested, the Plan will notify you, in writing, of the procedure to obtain an external review as set forth in the Oklahoma Managed Care Review Act.

You are not obligated by the Group Health Plan to pursue the Plan’s voluntary re-review process or an external review in any specific order. You are not required to exhaust the voluntary re-review process before bringing a civil action. If the review processes do not provide a satisfactory resolution to the claim for Benefits, legal remedies are available, including pursuing the claim in court.
