INTRODUCTION

Oklahoma Panhandle State University has developed an Affirmative Action Plan meeting all requirements of Executive Order 11246, 41 CFR 60-1 and 2 (Affirmative Action Plans), 60-20 (Sex Discrimination Guidelines), and 60-50 (Guidelines on Discrimination Because of Religion or National Origin), 60-250 (Vietnam Era Veterans Readjustment Assistance Act of 1974), and 60-741 (Rehabilitation Act of 1973).

Oklahoma Panhandle State University is required to act affirmatively in all employment actions and to prepare an Affirmative Action Plan that will be administered without regard to race, color, religion, sex, age, national origin, veteran or handicap status. Overall administration and monitoring of the program has been delegated to Dana Collins, EEO Officer.

EQUAL EMPLOYMENT OPPORTUNITY POLICY STATEMENT

It is my position, as well as that of all company management, that the success of Oklahoma Panhandle State University is largely dependent on the support and contribution of its employees. We consider them to be its most valuable resource. Because of this belief, I affirm personally and in behalf of our organization, Oklahoma Panhandle State University’s commitment to the equitable treatment of all employees and applicants for employment without regard to race, color, sex, religion, age, national origin, Vietnam era veteran, disabled veteran or disabled status. This policy applies to all personnel actions and includes, but is not limited to, recruitment, hiring, classification, benefits, compensation, promotion, transfer, layoff and return from layoff, termination, training and education assistance, social and recreational programs.

To ensure Oklahoma Panhandle State University’s policies, procedures and practices are effectively implemented, we have designated Dana Collins, our Equal Employment Opportunity Officer. The EEO Officer will be responsible for implementing and directing our affirmative action plan (AAP) and its internal and external reporting requirements. Our AAP is available for review by employees and applicants for employment. It can be reviewed at the Human Resources Dept. on workdays between 9:00 a.m. and 3:00 p.m.

WORK FORCE ANALYSIS

Work Force Analysis 41 CFR 60-2.11

This chapter contains the Work Force Analysis. Each department in the company is included and all job titles are listed as required by the regulations from the highest to the lowest paid jobs. The format used in presenting this information is designed to demonstrate the work force participation as clearly as possible. The format displays the job title, the job group to which the job belongs, salary range, IPEDS CODE Code, male and female participation in the job title and total of all employees working in that job title. Additionally, the form identifies the race and sex of incumbents with totals for each job title. This analysis becomes the base data source for several additional analyses found in subsequent chapters.

JOB GROUP ANALYSIS

Job Groups Analysis 41 CFR 60-2.12

The selection criteria used to determine the placement of job titles into specific job groups were made on the basis of jobs having similar content, wage rates and opportunities as required by 41 CFR 60-2.12. With reference to "Job Content", the determining characteristics were similar levels of skills and responsibilities known to characterize the jobs under consideration.

The similar wage rates criterion was applied to both salaried and wage grade jobs. Similar opportunities were understood to mean opportunities for growth and advancement available to employees in specific jobs.

We were able to establish job groups without crossing IPEDS CODE categories. They are grouped with appropriate weight given to the characteristics of similar content, wage rates and opportunities. However, given the relatively small numbers of employees in some job groups, it was necessary to give attention to having enough people in a job group to establish goals when appropriate.

Responding to the intent of the regulations, the job groups and specific job titles assigned to them are listed as follows:

AVAILABILITY & UTILIZATION DETERMINATION 41 CFR 60-2.14
COMPARING INCUMBENCY TO AVAILABILITY 41 CFR 60-2.15
PLACEMENT GOALS 60-2.16

DETERMINING AVAILABILITY

Our availability is an estimate of the number of qualified females and minorities available for employment in a given job group. This availability is expressed as a percentage of all qualified persons available for employment in a job group. The purpose is to establish a benchmark against which an employer can compare its incumbent workforce with the availability of females and minorities available for employment in our relevant labor market. We make this determination separately for each job group.

To arrive at this percentage we have considered at least the two following factors:

The percentage of females and minorities with requisite skills in our reasonable recruitment area. The reasonable recruitment area is that geographical area in which we usually seek or reasonably could seek workers to fill positions in our workforce. Our statistical data is taken from the U. S. Census Bureau and reflects our labor relevant labor market. In job groups having job titles with different availability figures, availability is determined separately and weighted separately for each job title and a composite availability is calculated.

The percentage of females and minorities in our workforce who are promotable, transferable and trainable to fill the vacancies in question. (Trainable are those employees in our workforce who, with appropriate training we can reasonably provide, could become promotable or transferable during this AAP year.)

COMPARING INCUMBENCY

When the availability of females and minorities has been determined for each job group, we compare this data against the percentages of female and minority incumbents in our workforce. When this comparison shows that there are fewer females or minorities in our workforce than availability indicates there should be, we set a goal in accordance with the directive at 41 CFR 60-2.15.
PLACEMENT GOALS

Placement goals serve as objectives or targets reasonably attainable by applying every good faith to make all aspects of our entire affirmative action program work. Our goals are used to measure our progress toward achieving equal employment opportunity. Several characteristics of our placement goals include:

- Our placement goals are set at availability for the specific job group.
- When substantial disparity of a specific female or minority group exists, we set separate goals for those job groups.
- Our placement goals are not quotas.
- In setting placement goals we do not extend preferences to any individual on the basis of that person’s protected status, nor do we create set asides for specific groups. An exception to this principle is that we can give preference to American Indians living on or near an Indian reservation.
- Our use of goals does not supersede merit selection principles.

IDENTIFICATION OF PROBLEM AREAS 41 CFR 60-2.17(b)

A. OVERVIEW OF THE WORKFORCE

Oklahoma Panhandle State University has a total of 132 employees in 61 departments. An overview of our departments and the participation ratio of minorities and females in each of them indicate the following:

B. INDEPTH WORK FORCE ANALYSIS

An analysis of the work force was made beginning with the application of the "JAAR" formula to all departments. Generally, the results of analyzing departments with 15 or less employees are not included in this analysis because work units of this size are not considered to be of a size significant enough to give meaningful data. However, we find it beneficial for managers to be aware of the specific EEO situation in their departments, even if the information does not have great statistical significance. Therefore, we have completed the "JAAR" analysis for each department.

Females:

An analysis of the distribution of females in our workforce shows that females make up 53.79% of our workforce and are found in all but 21 of our departments. Further, this analysis also reveals that females are underrepresented in 26 departments, overrepresented in 28 departments, and within range in 7 departments. This distribution pattern does not indicate that gender is a consideration in our placement policies. Employees are hired to fill vacancies that exist at the time of their hire. Once they are onboard, they are free to seek any position for which they are qualified and in which they are interested.
Minorities:

Minorities make up 18.94% of our workforce and are found in all but 44 of our departments. This analysis also reveals that minorities are underrepresented in 45 departments, overrepresented in 15 departments, and within range in 1 department. An employee's minority status is not an adverse consideration in any of our employment activities. Employees are hired to fill vacancies that exist at the time of their hire. Once they are onboard, they are free to seek any position for which they are qualified and in which they are interested.

We have presented both overrepresentation and under representation as are shown in the various departments. We are aware of the results of this analysis and have developed programs to ensure greater female and minority representation where required.

Explanation of Adverse Impact Analysis of Employment Action:

The Adverse Impact Analysis is a statistical measure used to determine whether discrimination is taking place in employment actions. The Adverse Impact Analysis is also known as the four-fifths rule. An adverse impact in an employment action does not prove that discrimination has taken place. It is an indicator that discrimination may have taken place and the employer must analyze the procedure to determine the cause of the adverse impact. The Adverse Impact Analysis formula and its appropriate use are found at 41 CFR 60-3.4(D).

"A selection rate for any race, sex, or ethnic group which is less than four-fifths (4/5) (or 80%) of the rate for the group with the highest rate will generally be regarded by the Federal enforcement agencies as evidence of adverse impact while a greater than four-fifths rate will generally not be regarded by Federal enforcement agencies as evidence of adverse impact. ... Where the user has not maintained data on adverse impact as required by the documentation section of applicable guidelines, the Federal enforcement agencies may draw an inference of adverse impact of the selection process from the failure of the user to maintain such data." 41 CFR 60-3.4(D)

Explanation of Standard Deviation (z-square) Analysis:

Like the Adverse Impact Analysis, the Standard Deviation Analysis measures the difference in the rate at which males and non-minorities are selected as compared to the rate at which females and minorities are selected. In positive actions like hires and promotions, whenever male and non-minority rates of selection are 2 or more standards than are the rate at which females and minorities are selected, there will be a presumption of discrimination. The employer must review the employment actions involved to determine if the actions taken were job related and consistent with business necessity. If not, corrective actions are required to correct the disparity.

In terminations, a negative employment action, the interpretation is reversed. Whenever the rate at which females and minorities are terminated is -2 or less standards than the rate at which males and non-minorities are terminated, there will be a presumption that discrimination is involved unless the employer can show that the reasons for the terminations are job related and consistent with business necessity. If not, corrective actions are required to correct the deficiency.

Job groups with 2 or more standards requiring attention will be identified with a flag.
2. Composition of Applicant Flow & Its Relationship to the company’s Hiring Experience.

Females:

There was no adverse impact against females in the Hires that took place during this reporting period.

Minorities:

Minorities experienced adverse impact in the Hires that took place in Job Groups 1C, 2C and 7. Our review of the Applicant Flow Log shows that the reasons for non-selection were: BETTER QUALIFIED APPLICANT SELECTED and INCOMPLETE PACKET.

5. Compensation Analysis

In the following display, we have completed an annual analysis of the compensation of all employees listed as full time. The formula used in the compensation analysis is found in the EO Survey utilized by the OFCCP. The report is designed to show the relationships between male and female and minority and non-minority salaries as they are found in the various job groups. Salaries displayed compare total minority and non-minority male and female salaries and then displays the salaries of both groups showing the low, high, and average minority male and non-minority males and female salaries.

6. Facilities and Company-Sponsored Programs

Facility and company-sponsored programs are available to all employees in accordance with our Equal Opportunity Policy. No problems have been identified in this area.

7. Seniority Practices

An employee’s experience with Oklahoma Panhandle State University is of great importance to us as it gives us the surety of a correct and expeditious performance of work assignments. We monitor this element of an employee’s work history and are certain that no discrimination is found in our seniority policy or practice.

8. OJT is available.

9. Workforce attitude

Our experience supports the conclusion that there is no serious lack of support and commitment by managers to implement the Company’s EEO policy. Lack of support of EEO/AA by any manager will not be tolerated.

10. Technical Compliance Phase

All technical phases of compliance are being met. All required posters are exhibited where applicants and employees may review them. The required certifications to recruitment sources are sent out at least annually. Applications and related employment data are maintained as required by federal legislation and guidelines.

C. ANALYSIS CONCLUSIONS:

Oklahoma Panhandle State University has conducted these analyses in order to ensure that our commitment to EEO and Affirmative Action is being fully implemented. Having completed such analyses, we have concluded the following:

1. Where underutilization in any job group exists, as that term is defined in the regulation [see 41 CFR 60-2.15], goals and timetables have been established.

2. The lateral and vertical movement of minority and women employees is occurring at a generally satisfactory rate, given their availability. Significant problems do not exist concerning promotions and improved job opportunities for minorities and women.
3. The minority and female participation in our work force overall indicate that their presence is at a rate that is generally characteristic of similar industries in our area. Oklahoma Panhandle State University has recruited extensively for qualified minorities and females. We will continue to seek minorities and females to fill all openings in our work force.

4. Application forms and related pre-employment inquiry forms comply with applicable federal, state and local EEO laws.

5. The mental and physical job requirements for all positions in the company are reviewed for accuracy on an ongoing basis with special attention given to new positions as they are added to the work force.

6. Where Oklahoma Panhandle State University uses specific selection procedures for its jobs, they are job-related. Further, in compliance with the Uniform Guidelines on Employee Selection Procedures, job groups will continue to be studied for the purpose of ensuring that our selection process does not have any adverse impact on minorities and women.

7. The referral ratio of qualified minorities and women to the hiring supervisor or manager does not indicate that a higher percentage of minorities or women are being unreasonably rejected as compared to the percentage of non-minorities or men. Personnel fully cognizant of our EEO policy perform employment interviewing and screening.

8. Minorities and women are not excluded from any company-sponsored activities or programs and such programs are fully integrated.

9. No de facto segregation exists at Oklahoma Panhandle State University.

10. No artificial barriers or restrictive seniority provisions that result in overt or inadvertent discrimination exist. The rate of upward mobility of women and minorities is reasonable, given their availability.

11. Support for our Equal Employment Opportunity policy on the part of managers, supervisors and employees is strong. The written Affirmative Action Plan is fully communicated to all levels of management.
12. The techniques that have been established for evaluating the effectiveness of our AAP includes periodic review of the employment data. Further, the EEO Officer will continue to make periodic reports to management regarding the status of the AAP and the progress being made.

13. There is no lack of access to suitable housing, which might impede the employment of minorities and women by Oklahoma Panhandle State University.

14. Transportation, both public and private, is not a significant problem with respect to minority and female employment.

15. Subcontractors and suppliers utilized by us are advised of their EEO responsibilities. Further, purchase orders contain the required Equal Opportunity Clause. (See Appendix)

16. EEO posters provided by the federal government are prominently displayed in appropriate places at Oklahoma Panhandle State University.
DEVELOPMENT AND EXECUTION OF ACTION ORIENTED PROGRAMS
41 CFR 60-2.17(c)

A. The company will continue to take the following actions:

1. Conduct a detailed analysis of position descriptions to ensure that they actually reflect position functions and are consistent for the same position from one location to another. This analysis is conducted each time a vacant position is filled by a promotion or hiring action. Additionally, we have established a schedule for the review of the mental and physical qualifications of all positions at Oklahoma Panhandle State University. This analysis involves the identification of the essential job functions and is a positive response to the demands of the ADA of 1990. (See schedule in the Veterans and Disabled AAPs)

   Responsible Official: Dana Collins, EEO Officer
   Completion Date: Ongoing project

2. On a continuous basis, Oklahoma Panhandle State University reviews worker specification throughout the organization giving special attention to academic, experience, and skill requirements to ensure such requirements do not constitute inadvertent discrimination.

   Completion Date: Ongoing project

3. Evaluate the total selection process to ensure freedom from bias and aid in the attainment of goals and objectives.

INTERNAL AUDIT REPORTING SYSTEMS 41 CFR 60-2.17(d)

Oklahoma Panhandle State University believes that one of the most important elements for effective implementation of a written Affirmative Action Plan is an adequate internal audit and reporting system. Through this system, progress can be monitored and management kept continuously informed. For this purpose, we have established the following internal audit and reporting system.

1. Records of applicants, hires, promotions, and terminations will continue to be monitored at all levels to ensure that our EEO policy is carried out. Records of hires, promotions, transfers and separations will continue to be maintained by job groups.

2. Progress toward meeting goals and timetables will continue to be measured periodically.

3. The EEO Officer is responsible for reviewing report results periodically with appropriate levels of management.

4. Where necessary, the EEO Officer communicates regularly, at least on an annual basis, with senior management concerning recommendations to improve EEO performance.

5. Diagram(s) of employment actions have been added to our audit and reporting system. It clearly shows employment activity by job group allowing a clear grasp of actions taken.

6. Promotions are defined as a move upward in job groups. Transfers are defined as a move within a job group.

ANALYSIS OF PRIOR YEAR GOALS

In the following display, in those job groups in which a female or minority goal amounts to less than a full person, and no placement of females or minorities took place in that job group during this reporting period, we state that the goal has been met. Since there is no obligation to meet a goal of less than a person, this statement represents our positive, but unsuccessful efforts, to meet our goals. To say that we did not meet a goal when that goal is less than a full person makes no more sense than to say we met a partial person goal since in either case, the obligation to meet the goal has ceased to bind.

All employees, especially managers and supervisors, are enjoined to carry out this commitment in their areas of work and responsibility.
IMPLEMENTATION

The President's Office is responsible for the administration of the Equal Employment Opportunity (EEO) and Affirmative Action (AA) policies. All managers and other designated EEO/Affirmative Action Representatives (AARs) have specific EEO/AA responsibilities.

1. Annual Statement of Commitment: Each year the President will post a reaffirmation the EEO/AA Policy Statement to all employees.

2. Affirmative Action Plan: Oklahoma Panhandle State University's affirmative action plan will continue to be revised annually and distributed by the EEO Officer to all management offices. B. EXTERNAL DISSEMINATION

Oklahoma Panhandle State University will continue to disseminate information externally to various community and state organizations about Equal Employment Opportunity and Affirmative Action. Oklahoma Panhandle State University has and will maintain liaison with local organizations and institutions that service individuals with disabilities and covered veterans to recruit qualified individuals. All job advertisements published externally state the company is an "Equal Opportunity Employer."
PERSONNEL PROCEDURES

Oklahoma Panhandle State University is committed to the principles of Equal Employment Opportunity and Affirmative Action. It is the company's policy to comply with all Federal and State regulations pertaining to Equal Employment Opportunity.

A. GENERAL PROCEDURES

State employment agencies, vocational rehabilitation agencies, state education agencies, and various community agencies will be used as recruiting sources. When necessary, Veteran Employment Representatives, local Veteran Administration Offices, and local Vietnam Era Veterans’ organizations will continue to be contacted for guidance and/or technical assistance on the possible development of on-the-job training opportunities for covered veterans.

Meetings are available for interested rehabilitation agencies to acquaint their counselors with the physical aspects of company work areas and typical job requirements.

Physical and mental job qualification requirements are reviewed on an on-going basis to ensure that, to the extent qualification requirements tend to screen out qualified individuals with disabilities and covered veterans, they are job related, consistent with business necessity, and the safe performance of the job.

Personnel procedures are reviewed annually to determine that present procedures assure careful, thorough, and systematic consideration of the job qualifications of known individuals with disabilities, disabled and Vietnam Era veteran applicants.

In offering employment or promotion to individuals with disabilities, disabled veterans, veterans of the Vietnam era, and other veterans Oklahoma Panhandle State University does not reduce the amount of compensation offered because of any disability income, pension or other benefit the applicant or employee receives from another source.

All job openings are listed with the State Employment Service with the exception of top-level management, jobs filled internally, and those jobs lasting 3 days or less.
Employment records are reviewed to determine the availability of promotable/transferable qualified known individuals with disabilities and covered veterans.

Recruiting and employment personnel and the EEO Officer are primarily responsible for observing the Affirmative Action obligations in the employment and placement of qualified individuals with disabilities and covered veterans. Any individual with disabilities or covered veteran applicant can request a job accommodation. Company management reviews the request and an appropriate decision is made. Information obtained from medical examinations is used only to establish work restrictions and to provide safeguards for individuals who might require emergency medical treatment. The information is not used to exclude or otherwise limit employment opportunities of qualified individuals.

Every applicant has the opportunity to identify himself or herself as disabled and/or as a covered veteran. All medical information concerning individuals with disabilities or covered veterans will be used only to meet safety requirements and to make reasonable accommodations for any disability. Information regarding disability and veteran status is both voluntary and confidential.

B. RESPONSIBILITIES OF THE EEO OFFICER WITH REGARD TO INDIVIDUALS WITH DISABILITIES AND COVERED VETERANS

Oklahoma Panhandle State University, in keeping with its commitment to the principles of Affirmative Action and Equal Employment Opportunity, appointed the EEO Officer who is responsible for the Disabled, Disabled Veterans, Vietnam Era Veterans, and Other Veterans Programs. The duties of this position are as follows:

- Receive all requests for assistance in accommodating the disabilities of an employee.
- Assist individuals with disabilities and covered veterans with job development.
- Develop contacts with interested referral agencies to assess and promote interest in disabled/covered veteran placement.
- Develop and implement programs for the recruiting and placement of qualified individuals with disabilities and covered veterans.

- Review applicants who are disabled/covered veterans concerning work skills, education, and training.

- Review the regulations and keep informed of all new or updated legislation to ensure that the company is in compliance with Federal and State laws.

- Assist company authorities in drawing up specifications for modification of existing structures for accessibility by individuals with disabilities as appropriate.

- Serve as a resource to supervisors, employees, and applicants in all matters concerning individuals with disabilities and covered veterans.

C. TRAINING AND EDUCATIONAL OPPORTUNITIES

Oklahoma Panhandle State University encourages the pursuit of opportunities for educational and professional development beneficial to the company and to the employee.

Reasonable accommodations are made for employees with disabilities to enable them to participate in job-related training and career development.
COMPLAINTS

It is company policy to encourage and facilitate the resolution of employee complaints and problems in a prompt and equitable manner. Employees with disabilities or covered veterans are encouraged to discuss their problems and/or complaints informally with their supervisor, other line manager, or the company EEO Officer.

No disclosure of employee contacts and informal counseling sessions is made without the employee's consent except where necessary in the treatment of the employee or when required by law.

If the complaint cannot be resolved through informal discussions, the employee may request formal review and complaint resolution.

An applicant for employment or any employee of Oklahoma Panhandle State University who feels he or she has been discriminated against, and who is an individual with disabilities or is a covered veteran, is encouraged to contact the Personnel Office or any member of management to seek assistance and direction. Every effort will be made to resolve the problem in a fair and concerned manner.
ACCOMMODATIONS

A. GENERAL ACCOMMODATIONS

Oklahoma Panhandle State University attempts to make accommodations to the physical and mental impairments of employees or applicants with disabilities when such accommodations are reasonable in terms of the conduct of business.

In determining the extent of Oklahoma Panhandle State University's accommodation obligations, the following factors, among others, are considered: (1) business necessity and (2) financial cost and expenses. "Business necessity" includes reasonable consideration of production, safety, and efficiency in the operation of company business.

When an employee is unable to perform the essential duties of a specific position because of a mental or physical disability, efforts are made to allow the employee to continue to work through reasonable accommodation.

Accommodations for disabled employees may involve a change in work schedule, work place, or job structure to assist in the performance of their essential job duties. Accommodations may include, but are not limited to, the removal of architecture barriers, the purchase of assisting devices, and the acquisition of interpreter services for hearing impaired employees.

The Accommodations Review Committee provides a forum for resolving accommodation-related problems when an agreement between supervisor and employee or applicant cannot be reached. The EEO Officer chairs this committee. The Accommodations Review Committee is convened by the EEO Officer at the request of line management or at the request of the individual with disabilities. The Accommodations Review Committee provides consistency on what constitutes reasonable accommodation in contested cases.

The company conducts a medical evaluation and recommends appropriate accommodations to permit an employee to continue to work when an employee becomes or is believed to have become disabled. Management determines work restrictions made necessary by the employee's or prospective employee's disability. Supervisors should be sufficiently aware of their employee's work habits to be able to identify behavior or job performance that has been adversely affected by physical, mental, or emotional problems. When those circumstances exist, supervisors may require an employee to be examined by a proper medical authority. A supervisor who regards an employee as having a physical or mental impairment will refer that employee for medical evaluation and recommendation of any needed accommodation. The supervisor will discuss needed accommodation with the disabled individual and the EEO Officer.
B. SPECIFIC ACCOMMODATIONS

Oklahoma Panhandle State University continues to work with employees and supervisors who are in need of accommodations and guidelines in order to complete their responsibilities.

C. WAIVERS OF ADVERTISING

All requests to waive advertising for specific positions are submitted and forwarded to the EEO Officer for screening and for recommendation. Such exceptions must have the President's approval after review. A memorandum, from the department head through the EEO Officer, justifying the waiver requirements, must accompany the request.
INTERNAL COMPLIANCE REVIEW

Internal compliance reviews are internal audits developed to review and evaluate those specific requirements pertaining to the development of the company's policy on Affirmative Action and Equal Employment Opportunity and on the employment and advancement of qualified individuals with disabilities and covered veterans.

Periodic internal compliance reviews ensure implementation of the Affirmative Action Plan for individuals with disabilities and covered veterans.

AUDIT OF THE IMPLEMENTATION OF THE DISABLED AND VETERANS AAP

At least quarterly, the EEO Officer will review company personnel actions specifically to monitor how our employment actions are being carried out with reference to the employment, advancement and general employment welfare of the Disabled and Covered Veterans applicants and employees.

If and when discrepancies are found, the EEO Officer will analyze the problem and formulate appropriate corrective actions and ensure they are implemented.

HARASSMENT POLICY

To ensure that harassment of the Disabled and of Covered Veterans does not take place in our workforce, we have issued a Harassment Policy that is applicable to all employees and non-employees having associations with our company. We insist that all incidents of harassment be reported to the Human Resources Department or other members of management so that an investigation of the allegations can be initiated immediately and, as deemed appropriate from the results of the investigation, appropriate corrective actions taken. All forms of harassment are strictly prohibited and violations of this policy will be dealt with appropriately.

- An “Armed forces service medal veteran” means a veteran who, while serving on active duty in the U.S. military, ground, naval or air service, participated in a United States military operation for which an Armed Forces service medal was awarded pursuant to Executive Order 12985.

Protected veterans may have additional rights under USERRA—the Uniformed Services Employment and Reemployment Rights Act. In particular, if you were absent from employment in order to perform service in the uniformed service, you may be entitled to be reemployed by your employer in the position you would have obtained with reasonable certainty if not for the absence due to service. For more information, call the U.S. Department of Labor’s Veterans Employment and Training Service (VETS), toll-free, at 1-866-4-USA-DOL.

If you believe you belong to any of the categories of protected veterans listed above, please indicate by checking the appropriate box below. As a Government contractor subject to VEVRAA, we request this information in order to measure the effectiveness of the outreach and positive recruitment efforts we undertake pursuant to VEVRAA.
