General email: waterlab@opsu.edu
Website: www.waterlab.opsu.edu
Director: Deborah Ask, SAB-121, d.ask@opsu.edu, (580) 349-1581

Directions

- From U.S. Hwy 54
 - In Goodwell, from the university entrance sign on U.S. Hwy 54, turn north onto Aggie Avenue and cross the railroad tracks.
 - On the left you will pass the golf course, student housing, field house, and the president's residence.
 - The next crossing street is Sewell Street. The library is on the left. Turn left onto Sewell.
- From north of Goodwell (highways U.S. 412 or Oklahoma 3)
 - At Texas County road Mile 22, head south toward Goodwell.
 - In Goodwell you will stop at Eagle Blvd.
 - Go forward to the next crossing street, Sewell Street. The library is on the right across the street. Turn right onto Sewell.
- On the OPSU campus, proceeding west on Sewell Street
 - Drive slowly forward across a couple of speed bumps to the stop sign. The Science and Agriculture Building is the large brick building with green metal roof diagonal across the street toward the southwest.
 - Parking is unassigned. It is usually crowded in the mornings, but less so in the afternoons.
 - From the stop sign turn left and (for a brief visit) park along the curb on the east side of the building. Enter through the east side door.
 - If you will be staying for more than a brief visit, angle park in front of the building on the north side. More parking is available on the west side of the building.
 - A temporary parking permit is required for more than a brief visit.
 - The lab rooms are on the east side of the building.
 - Sample Receiving: Room 119
 - Main laboratory: Room 110
