M&M Math
Pre-Test

Name______________________________

1. Use tally marks to show the numbers below.

<p>| | | | | |</p>
<table>
<thead>
<tr>
<th></th>
<th></th>
<th></th>
<th></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>3</td>
<td>5</td>
<td>9</td>
<td>13</td>
<td></td>
</tr>
</tbody>
</table>

2. A student has 5 green M&M's and 4 brown M&M's. How many M&M's does the student have in all? Write a number sentence and answer the question.
3. Create a graph with the following information.

M&M's

3 Red
4 Brown
5 Yellow
2 Orange
7 Blue
1 Green

4. Use tally marks to record the information given to you in question #3.
5. Color, Cut, and sort the M&M’s at the bottom of the page. Glue the M&M’s on the construction paper given. I have listed how many of each color below.

4  Brown
3  Red
8  Orange
1  Blue
6  Yellow
5  Green
