WHY THE PANHANDLE STATE ASSOCIATION?

The purpose and aims for which the Panhandle State Association of Alumni and Friends is organized are:

1. To aid and promote any project or projects designed to promote the general welfare of Oklahoma Panhandle State University;

2. To foster fellowship among the graduates, former students, and friends of OPSU, PSC, PAMC, and PAI;

3. To provide professional growth of students and alums by utilizing the Association and OPSU as resources.

The dues of Annual Members assist in financing daily operations of the Association, while the one-time dues of Life Members are vested in a restricted account from which only the earned interest is expended. This interest is then used to finance Association projects such as gifts for graduating seniors, semi-annual production and mailing of The Panhandle State News, other mailings of interest to members, and smaller projects in support of the university and/or alums.

Membership in the Panhandle State Association is an ongoing support of a fine educational institution, and a means of remaining in contact with your fellow alums. If you are not already a Life Member, please consider this invitation to join the Panhandle State Association. If you are an Annual Member, it is time to renew your membership. Cut out the membership card above this section and mail it in with your dues.
