Concurrent Registration Requirements

One of the options listed below and satisfaction of all 15 curricular and graduation requirements no later than the last semester of your senior year is required. The Oklahoma State Regents for Higher Education established minimum High School Performance Standards.

Requirements:
All students must have taken the National ACT to participate in the program.

American College Test (ACT)
- An English and Reading subscore of 19 is required before registering in Freshman English.
- A Math subscore of 19 is required before registering in College Algebra.
- A Science and Reading subscore of 19 is required before registering in any Science collegiate course.
- A Reading subscore of 19 is required for other 1000 & 2000 level collegiate courses.

Seniors and Juniors: Must have completed junior year AND have taken the ACT.

Option 1: Minimum composite ACT score of 20.
Option 2: GPA of 3.0 on 4.0 scale, top 50% of the class ranking, AND an ACT score of 19 is required in the subject where study will be pursued.

Home School or Unaccredited High School:
A student receiving high school level instruction at home or from an unaccredited high school must:

Option 1: 17 years old or older and composite ACT score of 20.
Option 2: 16 years of age and composite ACT score of 23.

Continuing Registration:
High school students concurrently registered in college courses may continue concurrent registration in subsequent semesters if they achieve a college cumulative GPA of 2.0 or above on a 4.0 scale.

If students are currently registered as a concurrent student and wish to register in the next semester concurrently, a new Concurrent Registration Form and Parent/Guardian Approval with all the required signatures will be required.

Please contact me directly for students that have taken the National SAT.

1. **Student Responsibilities:** Students must act on their own behalf. Parents, guardians, or friends of OPSU students are not permitted to enroll, drop, or add classes on behalf of the student. Students are responsible for contacting the bookstore in regards to renting and returning the required textbooks for their courses.

2. **Student Records:** Parents of OPSU students do not have a right of access to their children’s student records, regardless of whether the student is under the age of 18. In accordance with this regulation, the student’s college records will be released to parents only with a written consent of the student.

3. **Contacting Instructors:** Your student is enrolled in a college course and it is important to understand that instructors work directly with students, as opposed to the type of parent interventions you may be accustomed to at the high school level. Under FERPA (Family Educational Rights and Privacy Act), instructors are not permitted to discuss student performance or other student-related issues with parents. OPSU instructors cannot discuss student’s progress in the class with anyone other than the student. This regulation includes parents, guardians, school administrators, and/or high school teachers facilitating the course.

4. **Course Content/Material:** OPSU is a college learning environment. As such, discussion topics and course materials are generally designed for college students and may not be appropriate for less mature students. Alternative assignments are not provided. Students are expected to perform at the same level as all other college students and abide by each individual instructor’s policies.

Signature of this document certifies that I have read, understand, and agree to the above policies and requirements and that my child intends to register in college classes that are not specifically designed for students under the age of 18, and that OPSU accepts no responsibility for any extraordinary supervision of students less than 18 years of age. I acknowledge that the student will be creating a permanent college academic record at OPSU, even though they are concurrently enrolled in high school. I hereby give my permission for them to participate in the Concurrent Registration of High School Students Program.

---

Oklahoma High School Students will receive a tuition waiver for the first 18 hours of their senior year and 6 hours per term of their junior year.

The scholarship does not cover the cost of fees and books/supplemental notes required.
