## **Settling In**

### **Aggie Access, Email, and My OPSU**

#### **Aggie Access**

Aggie Access is the way to gain a login (also called credentials) for school systems including Banner, Email, Printing, ID, etc. Aggie Access is started through turning in the employment packet to Human Resources. Once received, the employee is entered into Banner (a data management system used by the University) to generate their unique ID number. After this is done, the employee is emailed with instructions to set up Aggie Access Self Service. The following web link is an alternative way to get to the Aggie Access activation page:

<https://apps.okstate.edu/okey/panhandle/index.php/module/Activate/action/Index>

To login to Aggie Access, you can use the following link: <https://aggieaccess.opsu.edu>

## **Email**

Once Aggie Access login exists, use that login for email services. For your information, the password for Aggie Access expires every 120 days and will need to be reset before it expires. If it has expired, click the "Forgot Password" link (<https://apps.okstate.edu/okey/panhandle/index.php/module/Forgot/action/Index>).

A link to the email is on the OPSU website and following, for your convenience:

<https://login.microsoftonline.com>

## **My OPSU**

Using the Aggie Access Login, login at <https://my.opsu.edu> to find many services. Those services include; a link to Aggie Access, Self Service portal, Aggie Scholars (a link to the online D2L classroom), a link to Aggie Email, Software Distribution, Online Billing, the Aggie Campus ID, and other services depending on your employee classification.

## **DUO Mobile App**

All employees must protect their Aggie Access with an extra layer of security through the DUO mobile service. Use the following link to register: [https://apps.okstate.edu/duo\\_portal](https://apps.okstate.edu/duo_portal)

## **Visual Design Standards**
