OVERVIEW

OPSU is committed to providing an educational, living and working environment that is free from Sexual Misconduct, as defined herein, for all members of its community to include students, faculty, staff, contractors, and visitors.

The purpose of this Policy is to provide the OPSU community with a clearly articulated set of behavioral standards, common understanding of definitions and key concepts, and descriptions and examples of prohibited conduct, including sexual harassment, sexual violence, stalking, and domestic and dating violence. All members of the community are expected to adhere to the requirements of this Policy and to the standards of the OPSU's community. It is intended to guide students, faculty, staff and other OPSU employees who have been affected by sexual harassment or misconduct, whether as a Complainant, Respondent, or a third party.

This Policy prohibits Sexual Misconduct, as defined herein, including all forms of sexual or sex-based harassment, discrimination, sexual violence, sexual assault, and stalking. Misconduct of this nature is contrary to the OPSU's institutional values and prohibited by state and federal law, as referenced by Title VII of the Civil Rights Act of 1964 and Title IX of the Education Amendments of 1972 and its implementing regulations.

The OPSU will review this Policy periodically in order to ensure compliance with legal requirements and improve the institutional response, including support services and resources. Additionally, the OPSU may modify this Policy and the procedures set forth herein at any time as deemed appropriate for compliance with federal, state, and local law and/or applicable guidance.

In the event this Policy conflicts with any other policy or procedure, this Policy shall control.

POLICY

1.01 APPLICABILITY

This Policy applies to all campus community members, including students, faculty, staff, contractors, and visitors within the OPSU's control. It applies to conduct that occurs on OPSU-owned or controlled premises, in an educational program or activity, including OPSU sponsored or supported events, in buildings owned or controlled by student organizations officially recognized by the OPSU, or off-campus when the conduct potentially affects a person's education or employment with the OPSU or potentially poses a risk to the safety of other members of the OPSU community. This Policy applies regardless of the sex, gender, gender identity, or sexual orientation of the parties. In accordance with regulations issued by the United States Department of Education, this Policy does not apply to conduct occurring against a person outside the United States or conduct that is not specifically addressed herein.

Alleged conduct reported pursuant to this Policy, whether or not the conduct constitutes a violation of this Policy, may violate other OPSU policies. The OPSU reserves the right to take disciplinary action for conduct reported under this Policy that constitutes a violation of any other OPSU Policy.

1.02 DEFINITIONS¹

- a. **Advisor** – both the Complainant and Respondent are entitled to be accompanied to any meeting or hearing under this Policy by an Advisor of their choice, who may, but need not be, an attorney. If a Complainant or Respondent does not select an Advisor for a hearing under this Policy, the OPSU will provide the party with an Advisor, at no cost to the party, for the sole purpose of conducting cross-examination at the hearing.
- b. **Complainant** – the individual who is alleged to be the victim of any prohibited conduct under this Policy, or, in limited circumstances, the OPSU.
- c. **Consent** – effective consent is informed, freely and actively given, using mutually understandable words or actions that indicate a willingness to participate in mutually agreed upon sexual activity. Initiators of sexual activity are responsible for obtaining effective consent. Silence or passivity is not effective consent. The use of intimidation, coercion, threats, force, or violence negates any consent obtained. Consent is not effective if obtained from an individual who is incapable of giving consent due to lack of consciousness, age, mental disability, or incapacitation due to the use of drugs or alcohol.

¹ The definitions provided in this Policy are the definitions adopted by the [UNIVERSITY/COLLEGE]. State law definitions, as applicable, are included in Appendix A for the Oklahoma statutory definition. In the event a criminal investigation is conducted by law enforcement, the state law definition will apply.

- d. **Dating Violence** – dating violence is committed by a person who is or has been in a social relationship of a romantic or intimate nature with another person. The existence of such a relationship shall be determined based on consideration of the following factors:
- i. The length of relationship;
 - ii. The type of relationship;
 - iii. The frequency of interaction between the persons involved in the relationship.

Dating Violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse. Dating Violence does not include acts that meet the definition of domestic violence. Any incident meeting this definition is considered a crime for the purposes of Clery Act reporting.

- e. **Decision-Maker** – the individual(s) charged with determining whether or not a Respondent violated this Policy.
- f. **Domestic Violence** – domestic violence is felony or misdemeanor crime of violence committed by a:
- i. current or former spouse or intimate partner of the victim;
 - ii. person with whom the victim shares a child in common;
 - iii. person who is cohabitating with or has cohabited with the victim as a spouse or intimate partner;
 - iv. person similarly situated to a spouse of the victim under the domestic or family violence laws of Oklahoma;
 - v. any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of Oklahoma.

Domestic violence is a pattern of abusive behavior in any relationship that is used by one partner to gain or maintain power and control over another intimate partner. Domestic violence can be physical, sexual, emotional, economic, or psychological actions, or threat of actions that influence another person. Any incident meeting this definition is considered a crime for the purposes of Clery Act reporting.

- g. **Formal Complaint** – a document filed by a Complainant or signed by the Title IX Coordinator or Deputy Title IX Coordinator alleging sexual harassment against a Respondent and requesting the OPSU investigate the allegation of sexual harassment.
- h. **Incapacity/Incapacitation** – occurs when an individual is incapable, temporarily or permanently, to give consent because the individual is

mentally and/or physically helpless, either volnarly or involuntarily, or the individual is unconscious, asleep, or othrwise unaware that the sexual activity is occurring. An individual may be incapacitated if they are unaware at the time of the incident of where they are, how they got there, or why or how they became engaged in a sexual interaction.

- i. **Indecent Exposure** – the act of intentionally exposing one’s genitals in public or in front of others, for the purpose of sexual gratification or causing offense. Allegations of Indecent Exposure will be evaluated to determine if the meet the severe, pervasive and objectively offensive standard required to meet the definition of Sexual Harassment.
- j. **Preponderance of the Evidence** – the standard of evidence to be used in making a determination as to whether a violation of this Policy occurred is Preponderance of the Evidence. Under this standard, the burden of proof is met when evidence exists or is presented that establishes that it is “more likely than not” that a violation occurred. This standard is often described as requiring a showing that there is a greater than fifty percent (50%) chance that the claim is true.
- k. **Respondent** – an individual who has been reported to be the perpetrator of conduct that could constitute a violation of this Policy.
- l. **Sexual Assault** – an offense that meets the definition of rape, fondling, incest, or statutory rape:
 - i. Rape – the penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim;
 - ii. Fondling – the touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental incapacity;
 - iii. Incest – sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law;
 - iv. Statutory Rape – sexual intercourse with a person who is under the statutory age of consent.
- m. **Sex Discrimination** – occurs when an individual is treated less favorably on the basis of that person’s sex (including gender), which may also include on the basis of sexual orientation, gender identity or expression, pregnancy or pregnancy-related condition, or a sex stereotype. Sexual harassment, as defined in this Policy, is a form of Sex Discrimination.

- n. **Sexual Exploitation** – conduct where an individual takes non-consensual or abusive sexual advantage of another for their own benefit, or to benefit anyone other than the one being exploited. Examples of sexual exploitation include, but are not limited to, engaging in voyeurism; sharing of pornographic or other sexually inappropriate material; the intentional removal of a condom or other contraceptive barrier during sexual activity without the consent of a sexual partner; and any activity that goes beyond the boundaries of consent, such as recording of sexual activity, letting others watch consensual sex, or knowingly transmitting a sexually transmitted disease (STD) to another. Allegations of Sexual Exploitation will be evaluated to determine if they meet the severe, pervasive and objectively offensive standard required to meet the definition of Sexual Harassment.
- o. **Sexual Harassment** – conduct on the basis of sex that satisfies one or more of the following:
- i. A person acting on behalf of the OPSU in a position of authority conditioning the provision of any aid, benefit, or service of the recipient on an individual's participation in unwelcome sexual conduct (quid pro quo);
 - ii. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the OPSU's education program or activity;
 - iii. Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct that explicitly or implicitly affects an individual's employment, unreasonably interferes with an individual's work performance, or creates an intimidating, hostile, or offensive work environment;
 - iv. Sexual assault as defined herein;
 - v. Dating violence as defined herein;
 - vi. Domestic violence as defined herein; or
 - vii. Stalking as defined herein.

Subsections (i) and (iii)-(vii) in this definition are not evaluated for severity, pervasiveness, offensiveness, because such conduct is sufficiently severe to deny access to the OPSU's education program or activities. Any instance of quid pro quo sexual harassment, sexual assault, dating violence, or stalking are considered Sexual Harassment under this Policy.

- p. **Sexual Misconduct** – the term used to encompass Sex Discrimination, Sexual Harassment, Domestic Violence, Indecent Exposure, Sexual Assault, Sexual Exploitation, and Stalking.

- q. **Stalking** – refers to one who engages in a course of conduct directed at a specific person that would cause a reasonable person to fear for their safety or the safety of others or suffer substantial emotional distress.
- i. Course of conduct means two or more acts, including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person’s property.
 - ii. Reasonable person means a person under similar circumstances and with similar identities to the victim.
 - iii. Substantial emotional distress means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling.
- r. **Supportive Measures** – non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the Complainant or the Respondent before or after the filing of a Formal Complaint or where no Formal Complaint has been filed. Such measures are designed to restore or preserve equal access to the OPSU’s education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the OPSU’s educational environment, or deter Sexual Harassment. Supportive Measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures.

REPORTING INCIDENTS AND/OR FILING A FORMAL COMPLAINT

2.01 DISTINCTION BETWEEN REPORT AND FORMAL COMPLAINT

This Policy distinguishes between reporting incidents of Sexual Harassment and filing a Formal Complaint regarding an incident of Sexual Harassment. Reporting incidents of Sexual Harassment informs the OPSU of the incident, allowing the OPSU to provide Supportive Measures to the Complainant and does not necessarily result in the initiation of the grievance process (as described in Section 4.03 of this Policy). Complainants who report incidents of Sexual Harassment will be offered individualized Supportive Measures. If a Complainant wishes to initiate the grievance process, they should file a Formal Complaint.

2.02 REPORTING

All forms of Sexual Misconduct should be reported to the OPSU, no matter the severity. OPSU's primary concern is safety; therefore, individuals should not be deterred from reporting for any reason, even if the use of alcohol or other drugs was involved. The OPSU encourages those impacted by Sexual Misconduct to talk to someone about what happened so they can receive support and the OPSU can respond appropriately. The OPSU offers both confidential services and non-confidential reporting options, as outlined below.

a. **Reporting to the OPSU**

- i. **Confidential Reporting Options** – Confidential service options provide students and employees with the ability to confidentially share and discuss an incident of Sexual Misconduct without the reporting party's information being shared with the OPSU. Please be aware that reporting to confidential services limits the OPSU's ability to respond to incidents. While these individuals are not required to report to the OPSU, they may have reporting or other obligations under state law, such as mandatory reporting to law enforcement in cases involving minors, imminent harm to self or others, or requirements to testify if subpoenaed in a criminal case.
 - a. **Professional Counselors** – Professional and licensed counselors who provide mental-health counseling (including those who act in that role under the supervision of a licensed counselor) are not required to report any information. Included in this category are counselors at the OPSU Counseling Center, Psychological Services Clinic and those provided by the Employee Assistance Plan.
 - b. **OPSU Victim Advocates** – Individuals may visit with a Victim Advocate to learn about resources available on campus. A Victim Advocate is not required to report any information about an incident to the Title IX Coordinator or the Deputy Title IX Coordinator unless the victim provides permission. However, the Victim Advocate will report incidents, without personally identifiable information, to the OPSU Police for the purpose of compliance with the Clery Act. Contact information for the Victim Advocates is available at [INSERT WEBSITE PERTAINING TO YOUR VICTIM ADVOCATE].
 - c. **OPSU Health Providers** – OPSU Health service providers are a confidential service option. OPSU Health Services can be contacted at 1202 W. Farm Road or by phone at 405-744-7665.

- ii. **Non-Confidential Reporting Options** – Any person may report an incident, whether or not the individual reporting is the person alleged to be the victim of the incident. Reports may be verbal or in writing to the Title IX Coordinator or Deputy Title IX Coordinator:

- a. **Campus Security Authorities** – In compliance with the Clery Act, some employees are identified as a Campus Security Authority (“CSA”). CSAs are identified through the Clery Act and outlined in the OPSU’s Annual Safety Report, available on the OPSU’s website. These individuals are required to report instances of Sexual Misconduct, along with other misconduct, to OPSU Police for statistical purposes. CSAs must report all relevant details about the allegations shared by the victim, including names, date, time, and specific location of the alleged incident to the OPSU Police and to the Title IX Coordinator or the Deputy Title IX Coordinator.
- b. **Responsible Employees** – Responsible Employees are those who are mandated to report to the Title IX Coordinator or the Deputy Title IX Coordinator when they become aware of an incident of Sexual Misconduct. OPSU employees in a supervisory role over employees or students are considered Responsible Employees. Employees with supervisory authority include, but are not limited to: unit heads, academic administrators, faculty members engaged in supervising student workers, intercollegiate athletic administrators and coaching staff members. Responsible Employees who become aware of developing situations, or who desire assistance in appropriately

responding to such situations, may seek assistance from the Title IX Coordinator or the Deputy Title IX Coordinator. Failure by a Responsible Employee to promptly report or seek assistance regarding Sexual Misconduct may result in corrective action.

- c. **All Employees** – When an incident of Sexual Misconduct is reported to any employee, the employee is strongly encouraged, if not required, to report the incident to the Title IX Coordinator or the Deputy Title IX Coordinator.

- b. **Reporting to Law Enforcement** – The OPSU strongly encourages individuals to report Sexual Misconduct that may be a criminal offense, and any other criminal offenses, to the police. Reporting to the police does not commit a victim to proceed with prosecution, but will allow the gathering of information and evidence, which can preserve future options regarding criminal prosecution, OPSU conduct/grievance actions, and/or civil actions against the perpetrator.

On-campus incidents should be reported to the OPSU Police Department, [INSERT UNIVERSITY/COLLEGE POLICE DEPT. ADDRESS], or by phone to [INSERT UNIVERSITY/COLLEGE POLICE DEPT. PHONE]. If the incident occurred elsewhere in Stillwater, it can be reported to the [INSERT LOCAL POLICE DEPT. ADDRESS] or by phone at [INSERT LOCAL POLICE DEPT. PHONE]. If the incident happened anywhere else, it can be reported to local law enforcement with jurisdiction in the location where it occurred.

- c. **Reporting to External Entities** – Individuals who have experienced or are experiencing sex-based harassment or discrimination also have the right to file a formal grievance with government authorities:

2.03 FILING A FORMAL COMPLAINT

Complainants may file a Formal Complaint with the Title IX Coordinator or the Deputy Title IX Coordinator. In order for corrective or disciplinary action to be taken against a OPSU employee or student, it may be necessary for a signed Formal Complaint to be filed and for the Complainant to cooperate with the OPSU's investigative process. However, even without filing a Formal Complaint, a Complainant will be offered individualized Supportive Measures. A signed Formal Complaint can be provided to the Title IX Coordinator or Deputy Title IX Coordinator by mail, email or in person. The Formal Complaint must include the specific allegations and name of the Respondent(s).

SUPPORTIVE MEASURES

3.01 OPSU offers Supportive Measures for students and employees impacted by an occurrence of sex-based misconduct. A Formal Complaint does not need to be submitted for Supportive Measures to be put in place. The OPSU will maintain confidentiality to the extent possible. Supportive Measures are non-disciplinary and non-punitive measures that do not unreasonably burden the other party. Supportive Measures may include, but are not limited to:

- **Assistance in reporting:** Support in filing a complaint with the OPSU and/or the appropriate law enforcement agencies.
- **Emergency Protective Order:** Support in filing for an Emergency Protective Order in court with Wings of Hope. This is a court-ordered petition that prohibits contact between the Complainant and Respondent.
- **No contact order:** A no contact order can be put into place between the Complainant and the Respondent, to prohibit contact or limit contact between both parties through any means of communication, as well as prohibit others from making contact on their behalf.
- **Safety measures:** Coordination of any reasonable arrangements that are necessary for ongoing safety. This includes transportation arrangements or providing an escort.
- **Work schedule adjustments:** Assistance in changing on-campus work schedules, work assignments, supervisor responsibilities, or other work arrangements.
- **Leaves of absence:** A pre-approved defined period away from the work environment. (employees only)
- **Living arrangements:** Assistance in changing on-campus living arrangements to ensure a comfortable living situation.
- **Academic arrangements:** Assistance in adjusting academic schedules as well providing access to academic support services. (students only)
- **Other supportive measures:** Coordination of other reasonable arrangements to address the effects of the Sexual Misconduct, including connecting individuals with counseling or health care.

FORMAL COMPLAINT PROCESS

4.01 REPORTING

OPSU is obliged to act when it receives “actual knowledge” of allegations of Sexual Harassment. Persons who believe they have been subject to prohibited Sex Discrimination or Sexual Harassment are encouraged to seek assistance, to directly report such conduct to appropriate supervisors, or to directly report such conduct to the Title IX Coordinator or Deputy Title IX Coordinator. In instances involving alleged violations of this Policy engaged in by students, the Title IX Coordinator will refer such matters to the Deputy Title IX Coordinator for review and other processing.

4.03 EMERGENCY REMOVALS

Applicable only to students, an emergency removal is a removal, either partially or entirely, of a student from the OPSU and its activities on an emergency basis when an individualized safety and risk analysis has determined an immediate threat to the physical health or safety of any student or other individual arising from the allegations justifies removal. The individualized risk assessment will be conducted by the Deputy Title IX Coordinator, in conjunction with the Behavioral Consultation Team using its standard risk assessment procedures. A removed student will receive a written notice of the decision, which notice will include information about how the student may challenge the removal decision.

4.04 INITIAL ASSESSMENT

Upon receiving a Formal Complaint, the Title IX Coordinator (in cases involving a faculty or staff Respondent) or Deputy Title IX Coordinator (in cases involving a student Respondent) will conduct an initial assessment and provide information about Supportive Measures. At the conclusion of the preliminary inquiry, the Title IX Coordinator will provide the Complainant with information regarding the appropriate procedural process. The Complainant will be advised if the information discovered during the preliminary inquiry warrants proceeding with the grievance process as outlined in this Policy or if the allegations, if true, may constitute a violation of another OPSU Policy. If the information does not warrant proceeding under this Policy, the case will be dismissed under this Policy (see Section 4.07 for more information on dismissals).

4.05 INVESTIGATION NOTICE

If it is determined there is sufficient evidence to proceed with an investigation, a written notice and copy of the grievance procedure will be provided to the Complainant and Respondent. The notice will detail the allegations, to include, if known, the identities of the parties, the date and location of the incident, and the specific alleged Policy violation(s). The notice will also state the Respondent is presumed not to be responsible until a determination. The notice will advise both parties of their right to have an Advisor of their own choosing. Finally, the notice will include information related to the Board of Regents for the Oklahoma Agricultural and Mechanical Colleges Policy 3.06, Non-Retaliation.

- a. **Employee Respondents** – When the Respondent is an employee, the notice will also be provided to the Respondent’s supervisor and the appropriate senior administrator, with sensitivity to protect the privacy of the Complainant and Respondent.

4.06 INVESTIGATION

A trained investigator, or multiple trained investigators if necessary, will be assigned. The investigator(s) will conduct a fair, thorough and impartial investigation. The Respondent is entitled to a presumption of innocence unless a finding is determined. Both parties will have an equal opportunity to present facts, witnesses and evidence to support their positions, with no restrictions on the parties’ ability to discuss the investigation. Both parties will have an equal opportunity to attend any proceedings, along with their Advisor. Reasonable efforts will be made to conduct interviews with all parties and relevant witnesses in a timely fashion.

- a. **Delaying Investigation** – When a law enforcement agency is conducting its own investigation into the alleged conduct, the OPSU’s investigation may be delayed temporarily to meet the specific needs of the criminal investigation.
- b. **Investigation Notice** – A notice will be sent to the parties prior to each investigation meeting. In all instances, the OPSU, not the Complainant, will bear the responsibility for investigating and taking appropriate action, including the decision to seek disciplinary action against a Respondent.
- c. **Amended Notice** – In the event new allegations or potential violations of Policy arise during the investigation that were not included in the initial investigation notice, an amended notice will be sent to the parties outlining the additional allegations.
- d. **Role of the Advisor** – During participation in the investigative process, the Complainant and Respondent may have their own Advisor of choice. The

Advisor's role is to assist the Complainant and Respondent in understanding and navigating through the investigative process. An Advisor may not be a witness in the same investigation, or whose participation will create a conflict of interest. The Advisor will not speak, act, or answer questions on behalf of the Complainant or Respondent or impede or act in a manner that obstructs or disrupts the investigative process.

4.07 INVESTIGATION REPORT

Upon conclusion of the investigation, the investigator will prepare a report summarizing their findings. The investigation report will be provided to the Complainant and Respondent. To confirm accuracy, both the Complainant and Respondent will have ten (10) business days to review the investigation report and provide feedback to the investigator about their account of information.

4.08 DISMISSAL PRIOR TO HEARING

During the initial assessment or during the course of an investigation, a determination may be made that issues surrounding the case do not rise to a violation of this Policy.

- a. Pursuant to applicable law, the Complaint must be dismissed in the following circumstances:
 - i. The conduct alleged does not meet the definition of any prohibited conduct under this Policy;
 - iii. The alleged conduct did not occur on OPSU-owned or controlled premises;
 - iv. The alleged conduct did not occur in the OPSU's education program or activity;
 - v. The alleged conduct did not occur against a person in the United States; or
 - vi. If at the time of a Formal Complaint, the Complainant is not participating in or attempting to participate in the OPSU's education program or activity.

- b. At the discretion of the Title IX Coordinator or Deputy Title IX Coordinator the following are additional grounds for dismissal:
 - i. If the Complainant requests in writing to dismiss a Formal Complaint or any allegations therein;
 - ii. The Respondent is no longer enrolled in or employed by the OPSU; or

- iii. Any specific circumstances exist which prevent the OPSU from gathering evidence sufficient to reach a determination as to the Formal Complaint or any allegations therein; or
- c. If a Formal Complaint is dismissed for any of the above reasons, the Complainant and Respondent will be provided a written notice of the dismissal and the reason(s) for dismissal. In addition, if the alleged misconduct may be addressed by another OPSU Policy or process, that information will be included in the written notice of dismissal.
 - i. **For Employee Respondents** – If a Formal Complaint against an employee Respondent is closed, the Title IX investigation will be closed administratively, and all parties, including the appropriate supervisor or Department Head and Administrator, will be notified in writing of the administrative closure. The findings and determination as to any non-Title IX Policy violation will be forwarded to Human Resources Consultant Services for review and subsequent actions.
 - ii. **For Student Respondents** – A Formal Complaint being dismissed under this Policy does not preclude it from being addressed through the Student Code of Conduct.
- d. A Complainant or Respondent may appeal a dismissal by following the procedures outlined in Section 6.

4.09 INFORMAL RESOLUTION

At any time after the filing of a Formal Complaint and but not less than ten (10) days prior to a live hearing, either party may request that the OPSU facilitate an informal resolution. Informal resolution is an available option when both parties voluntarily agree to participate and if the Title IX Coordinator agrees that informal resolution is appropriate given the nature of the allegations and the relationship of the parties. To allow the parties to participate without concern for how their statements may affect the outcome of an investigation, the Title IX Coordinator will not participate in informal resolution or be informed of information disclosed by the parties during the process.

If the parties reach agreement during the informal resolution process, the facilitator will reduce the agreement to writing and present it to the Title IX Coordinator, who may approve or disapprove the agreement. An approved informal resolution agreement will be recognized as a binding agreement between the parties enforceable by the OPSU. Once parties have entered into an approved informal resolution agreement, the grievance will be deemed resolved and may not be reopened.

HEARING PROCEDURES

5.01 TITLE IX HEARING (EMPLOYEE RESPONDENT)

Upon the conclusion of an investigation involving a non-student OPSU employee as a Respondent, the Complainant and Respondent will be notified in writing with the name and contact information of a trained Decision Maker assigned to conduct a live hearing that will be recorded by audio or audio visual means. The Complainant and Respondent will be provided the scheduled date, time and location of the hearing, as well as written information regarding the hearing process. Within ten (10) business days of receipt of the notification, both parties may provide the Decision Maker with the name and contact information of their Advisor for the hearing, supporting evidence and a list of witnesses. If either the Complainant or Respondent is unable or chooses not to name an Advisor, one will be provided by the OPSU. At any time during the process, requests for extensions to provide information or to reschedule hearings may be made and approved by the Decision Maker in their sole discretion. Any request for an extension must be in writing, no later than two (2) days prior to the applicable due date. All parties and Advisors will be notified of approved extensions in writing.

- a. **Title IX Hearing Location** – The privacy of both parties is taken into consideration when determining the location of the hearing. A request by either party may be made that both parties will participate in the hearing from separate rooms. The designated rooms will be furnished with audio and visual equipment to allow both parties to see and hear each other during the hearing process.
- b. **Attendance at Title IX Hearing** – While information from the Complainant, Respondent, and witnesses to the incident may be included in the Investigation Report, if a party or witness does not appear at the Title IX Hearing to be available for cross-examination, the Decision Maker cannot rely on any statement of that party or witness in reaching a determination regarding responsibility. The Decision Maker also may not draw an inference about the determination regarding responsibility based solely on the absence of a party or witness. It is the responsibility of the parties to arrange for the attendance of any witnesses; the OPSU cannot compel or mandate attendance at the Title IX Hearing.
- c. **Title IX Hearing Process** – At the beginning of the hearing, the Decision Maker shall set forth the rules of procedure for the hearing.

Each party is allowed a reasonable time to present their opening statement. The Complainant will present their case first in all phases of the hearing.

Each party is allowed to ask relevant questions of their respective witnesses, followed by cross-examination by the other party's Advisor. Cross-examination must be conducted by the other party's Advisor. The parties may not under any circumstances conduct cross-examination. If necessary, a party will be allowed additional time for follow-up questions of their witness, followed by additional time for cross-examination by the other party's Advisor. The Decision Maker will determine whether questions asked during cross-examination by an Advisor are relevant.

The Decision Maker may also ask questions of the parties and witnesses for clarification.

The process will be repeated until all testimony is concluded.

The party's Advisor may only participate to the extent set forth above.

- d. **Standard of Evidence** – The standard of evidence to be used to make a determination is Preponderance of the Evidence.
- e. **Title IX Hearing Determination** – Following the hearing, the Decision Maker will issue a written determination, generally within five (5) business days. In the event circumstances require more time to issue a written determination, the Decision Maker will notify the parties. This document will include the following elements:
 - i. the allegations made against the Respondent;
 - ii. a description of the procedural steps undertaken, including notifications to parties, interviews and site visits, methods used to gather evidence, and hearings;
 - iii. findings of fact that support the determination;
 - iv. an explanation regarding the result of each allegation, including a determination as to whether the Respondent did or did not violate this Policy as to each allegation;
 - v. any disciplinary actions/sanctions against the Respondent, and any remedies to be provided to the Complainant; and
 - vi. procedures and bases for appeal.

- f. **Effect of Hearing Determination** – The determination will become final one (1) day after the appeal deadline set in Section 6.01. The Title IX Coordinator will coordinate the implementation of any remedies. Copies of the written determination will be provided to both parties, and their respective department heads to include the Deans, the Provost’s office, and/or Vice Presidents.

5.02 TITLE IX HEARING PROCEDURE (STUDENT RESPONDENT)

All cases involving a student Respondent will follow the procedures set forth in the Student Code of Conduct, available at [INSERT UNIVERSITY/COLLEGE STUDENT CODE OF CONDUCT WEBSITE], with the following additions:

- a. **Advisor** – The Complainant and Respondent may have their own Advisor of choice. If either the Complainant or Respondent is unable or chooses not to name an Advisor, the OPSU will provide an Advisor. During the hearing, questions asked to the other party must be asked through the participant’s Advisor. If the participant’s Advisor does not act in accordance of the hearing and the Advisor’s privileges are withdrawn or they are barred from the hearing, Student Conduct Education and Administration will appoint an Advisor to assist in asking questions to other participants.

5.03 VIOLATION OF POLICY

If the Decision Maker determines by a Preponderance of the Evidence that Respondent has engaged in Sexual Misconduct as defined in this Policy, Respondent will be deemed responsible for a Title IX violation.

APPEALS

6.01 APPEALS INVOLVING EMPLOYEE RESPONDENTS

- a. **Time for Appeal** – A Complainant or Respondent may appeal in writing either a dismissal of a Formal Complaint or the Title IX Hearing Determination within ten (10) days of notification of such determination on the grounds set forth in Section 6.01(b).
