

OPSU is excited to partner with TouchNet OneCard to offer a new ID card system for added functionality across campus. Features of the Aggie Campus ID are:

- ✓ Check-in at the Noble Center! Check-in as you arrive at the front desk on your personal mobile device or on the Noble Center device.
- ✓ View your meal plan balance
- ✓ Access your dorm room by swiping your ID card for entry
- ✓ View your Dining Dollars or Bookstore Bucks balance

To access and use your Aggie Campus ID on your mobile device, please follow the instructions detailed below to create a pin you will use to log into the OneCard App. Once you have created your pin you will need to go to App Store on your phone or mobile device (App Store or Play Store) and download the TouchNet OneCard VIP App.

1. To begin the installation you will setup your login credentials for the TouchNet OneCard at:
<http://onecard.opsu.edu>

2. Login with your initial login credentials:

a. Username: Omitting the A, for example A12345678, will be entered as 12345678.

b. Password: Last four of your ID number

3. Immediately after you login the first time you will be required to change your PIN. Make sure you remember this pin; OPSU Staff cannot see or change your pin.
